50% bonus plan to spur United drive

Citizens and drive workers have been challenged to raise Tri-Cities Area United Way dollars that will do the work of \$1.50.

In all non-industrial divisions of the current drive, for every \$2 raised between now and the Nov. 14 report meeting, Granite

Postpone Walker meeting

The scheduled appearance of Governor Dan Walker at a public meeting here tomorrow night has been postponed, it was announced by the governor's office Friday.

The meeting will be rescheduled for 7 p.m. Nov. 27 in the cafeteria at Granite City High School-North.

Postponement of the event—the governor's 17th accountability session—since his election last year—was announced after Gov. Walker was admitted to a Highland Park hospital Thursday with what his office said has been diagnosed as bronchitis.

Mark Clark, a press aide, said Walker's physician, Dr. Jules Last, said the governor would be in the hospital "for several days."

Sponsorship of the public session will remain unchanged. The governor's appearance on Nov. 27 will be sponsored by the Tri-Cities Area Chamber of Commerce, the Tri-City Trades and Labor Council and the Granite City Rotary and Optimist Clubs.

The sponsoring groups will continue to conduct campaigns to encourage area-wide response to the opportunity to discuss state operations and issues directly with the state's chief executive.

Governor Walker has been conducting such meetings throughout the state since his election last year. The governor said he believes the people have the right to know what is going on in state government and how state government can serve them better.

He has conducted such sessions twice in Chicago and once each in Rockford, Moline, Streator, Lockport, Peoria, Havana, Clinton, Kincaid, Paris, East St. Louis, Mount Vernon, Marion, Champaign and Hillsdale.

Youth, 18, found shot to death

Derome Tyus, 18, of 1202 Market St., Venice, was found shot to death at 6:05 a.m. today 500 yards west of the boat ramp in Venice.

The body was found by Madison Police Lt. Richard Kriesbok who was on his way to feed horses he keeps on the riverfront.

Tyus was pronounced dead at the scene at 6:20 a.m. by Deputy Coroner Thomas Scaturro. Scaturro said death was caused by two or more gun shot wounds.

A pathologist is scheduled to arrive this afternoon to remove the slugs and examine the body, Scaturro said. He said he believes Tyus was shot this morning, "not too long before the body was discovered."

The body was taken to Lahey Funeral Home in Madison. Imprints of tire tracks at the scene were taken in police investigation. No motive in the killing had yet been determined today, police said.

City Steel will provide an additional \$1.

The hope is that giving will be stimulated in the non-industrial categories—commercial, professional, construction, civic, business, Madison-Venice and mail-telephone.

If there is substantial community non-industrial support for the United Way, the drive can go "over the top," since there already has been an extensive expansion of giving by industrial employees this fall. A statement by drive leaders to the public and to the 200 campaign participants follows:

"A real challenge—a real opportunity—has developed."

"At the Oct. 31 report meeting, pledges reached \$37,794 or 94.4 per cent of the basic \$400,000 goal."

"The goal truly is in sight, but only if we make it happen. Many contacts, or final contacts, remain to be accomplished."

"Beginning at the \$37,794 level, in all non-industrial divisions, for every \$2 raised between now and the Nov. 14 report meeting, the Granite City Steel Division of National Steel Corp. will provide an additional \$1."

"The tally will be made at 10 a.m. Wednesday, Nov. 14, for that day's 12 noon luncheon meeting at the YMCA. The 10 per cent matching will be done at that time."

Name Tree of Lights chairman

Ralph Astorian will serve as 1973 chairman of the Salvation Army's "Tree of Lights" campaign, it was announced today.

The kickoff event to launch the fund raising drive will take place Saturday, Nov. 24 at the Salvation Army Building, 10th Street and Grand Avenue, Astorian said.

A full crew of volunteer bell ringers will be on the street corners starting Nov. 24 to "remind everyone that Christmas is coming and it's time to help those in need by contributing to the drive," the chairman said.

According to Captain Ronald Kerley, the Salvation Army's Christmas program in the community will include the "Clothe-A-Child" project for school-age children; food baskets and toys for needy families; and visits and remembrance gifts for patients at area nursing homes and Scott Air Force Base hospital.

Participating will be the Advisory Committee of the Illinois Community College Board and representatives of the ICB staff.

Host will be Leo H. Konzen, chairman of the Junior College Study Committee of the Tri-Cities Area Chamber of Commerce.

Attending in addition to the committee and officials of the Chamber will be Quad-City and Collinsville mayors and school superintendents and representatives of the local Prayer Breakfast Group.

The public meeting here at 2 p.m. Thursday is expected to end by 3:30 or before so that those coming here from Springfield will be able to take part in a similar discussion at 4 p.m. Thursday in East St. Louis.

MANGLED WRECKAGE of the car of Toby Staicoff is removed from the side of the railroad tracks just south of the West Pontoon Road crossing. The 17-year-old youth was killed and a passenger was injured when the car was struck by a train at 2:10 a.m. Saturday. Here the

rear section of the car, in which Staicoff was found, is placed on towing wheels and prepared for removal. The front half of the auto, which was torn into many pieces, was removed by another truck.

Layman wins appeal, finds 'system works'

By GARY SCHNEIDER
Press-Record Staff Writer

A Mitchell man's faith in the American judicial system has been restored after he fought his own legal battle without an attorney in Appellate Court and won.

Jerry Boyd, Rural Route Two, Box 707M, won a case against the Mitchell Public Water District which may set a precedent for all public utilities in Illinois.

In 1970, Boyd paid his water bill with a check. Because of timing error in a deposit, the check was returned because of insufficient funds.

Boyd's wife was informed that before another check could be accepted from the family, a family member would personally have to make a payment.

The meeting will take place each month at the company's office in Mitchell. Each payment would have to be in cash and on time, or the personal-payment period would be extended another year, she said she was told.

Mrs. Boyd paid the bills for a

time. When she was unable to make one, her husband agreed to pay it, unaware of the company's policy concerning his family.

He paid the bill with a check which was refused by the utility, testimony indicated.

Boyd contacted William Mateyka of the Calvo, Mateyka and Hill law firm of Granite City.

On Sept. 15, 1972, Boyd's water was shut off for failure to pay, his bill but Boyd and Mateyka went into court.

On Nov. 17, 1972, Circuit Judge Harold R. Clark at Edwardsville enjoined the district from stopping water service to Boyd, contending that the rule concerning checks was unfair and thus void.

The utility appealed to the Fifth District Appellate Court at Mount Vernon and Boyd faced the financial burden of defending against the appeal.

"I knew I could not afford to fight the battle with an attorney, so I was going to lose by default," Boyd said. With the

advice of Mateyka, Boyd determined to fight the case himself, without an attorney. It is considered rare in Illinois history to have a citizen appear in Appellate Court without an attorney.

Mateyka assisted him in preparing some of the material he needed, but Boyd spent many nights on his own, researching related cases and preparing his presentation.

"Everyone was wonderful and treated me with all the respect they would give an attorney, including the justices and my opposing attorney," Boyd related to the Press-Record.

Last week, the three-justice Appellate Court released its opinion, upholding the findings of Judge Clark.

The unanimous opinion also said that utilities may pass regulations in respect to customer contracts "provided such regulations are reasonable, just, nondiscriminatory and not in contravention of law."

The justices found that denial of the right to pay by check must be based on more evidence than one check which failed to clear a bank.

"Many families operate 'close to the line' with respect to income and expenditures from their bank account, and it is not unusual for a check to be returned for insufficient funds when a deposit has not been made by the time expected."

He said the appeal cost him \$15 to file and that is to be returned to him, as the justices ordered the utility to pay the cost of the suit.

Boyd said the case proved to him that a man can still "use the system and get a fair deal."

He concluded, "There is true justice there for the average person."

Boyd said a report from Sen.

The two visits will precede the state Advisory Committee's meeting Friday morning at Springfield. The committee consists of Richard G. Browne, chairman, and Elden Lichty, Ernest Anderson and Henry T. Boss.

The local study group has proposed a Southwest Community College and petitions were submitted by citizens to obtain an election to create such a district.

The petitions were considered at the October session of the ICB, which deferred action for a month to permit more study.

The local study group and Quad-City Boards of Education have indicated that—if an entirely new district is not permitted—they would prefer annexation to Belleville Area College.

The state staff has reported its preference for annexation to Lewis and Clark Community College at Godfrey.

A possible change of status of the State Community College at East St. Louis also has been discussed by the ICB staff from time to time. The latter college at present is financed by the state rather than through property taxes.

Fatal crash on tracks at W. Pontoon

Toby Staicoff, 17, of 1928 Beckwith St., Madison, was fatally injured and a passenger in his car, Miss Nancy Martin, 18, of Rural One, Box 100, was seriously hurt when a Norfolk & Western Railroad train smashed into the driver's side door of their small car on the West Pontoon Road crossing at 2:10 a.m. Saturday, breaking the car into several pieces.

Miss Martin was thrown out of the car when it broke apart and was found lying near the crossing.

Staicoff was found inside the wreckage of the rear half of the car which had been thrown about 75 yards south of the point of impact.

He was taken to St. Elizabeth Hospital, where he was declared dead upon arrival at 2:40 a.m. Saturday. He had suffered head injuries.

An inquest is to be held into the cause of death.

Miss Martin suffered cuts over her right eye, right wrist and hand, both knees and her face.

She also had internal injuries and her right leg was broken. She was listed in critical condition and was taken into surgery later Saturday morning.

Her condition improved during the weekend to satisfactory.

Witnesses said the car in which the two were riding was eastbound and passed around the crossing gates, which were down. The lights on the gate were flashing, they said.

The southbound train was unable to stop before striking the car. Lyle Adams of Argenta, Ill., engineer, said.

Mr. Staicoff, nephew of

TOBY STAICOFF
Dies in crash

Thomas L. Staicoff, former mayor of Pontoon Beach, was the son of Mrs. Fleeta Staicoff of Madison, and of Richard Staicoff of Granite City.

He had two brothers, Michael, 19, and Bobby, 12, both living at home in Madison. Also surviving are his maternal grandmother, Mrs. Lela Reiter of Madison, and his paternal grandparents, Mr. and Mrs. Pete Staicoff of Granite City.

He was born in Lawton, Okla., and had resided in the Quad-Cities 18 years.

He was employed as a box presser at the Hoerner-Waldorf Corp., St. Louis, and was a member of Suburban Baptist Church and the James Stuart Chapter, Order of DeMolay.

His funeral was to be held at 1 p.m. today. Details are given in the obituary column.

Auction at plant

A major step in the phasing-out of the Castings Division of the General Steel Industries plant here, the selling of most equipment and furnishings, is to take place at an auction at the plant next week.

All production operations are to cease at the plant by the end of this month and the number of employees there will be reduced from its present level of about 100 to less than 50, a company spokesman said Friday.

The 118-acre plant site and the buildings covering 1,700,000 square feet of floor space still are for sale and the spokesman said leasing of the property is not being considered.

He said a report from Sen.

Percy had reported an exchange of letters with West German Chancellor Willy Brandt in which Brandt said the site would be considered if VW should decide to build an American plant because of rising import expenses.

A VW team visited several sites during a helicopter tour in

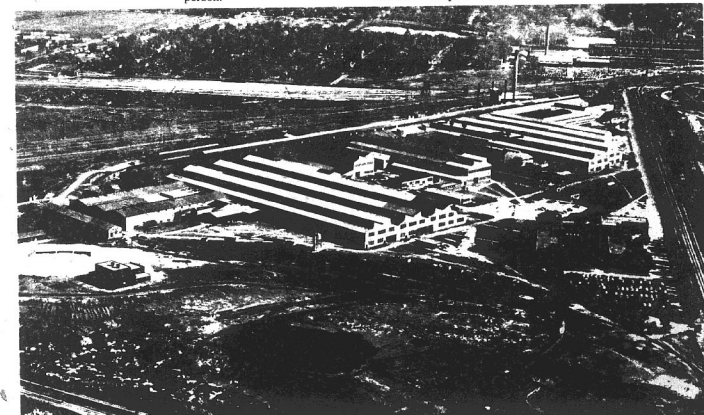

Charles Percy (R-Ill.) that a Volkswagen automotive plant may be established at the site was "premature and over-optimistic."

He added, "We hope our plant would be of interest, but from the facts now being given, we are led to believe we are being considered far more than the facts warrant."

FINAL CLOSING OPERATIONS are under way at the Castings Division of the General Steel Industries plant on State Street. Most of the unsold furnishings and equipment will be offered at public auctions Nov. 13 to 16. The plant will complete all production the end of this

month and the number of employees is to be reduced by about half at that time to less than 50. The 70-year-old plant also is for sale with buildings covering 1,700,000 square feet of floor space on the 118-acre tract.

General Steel

Continued from page 1
September to gather information on a possible American plant, including the Castings Division.
The plant plans four days of auctions to sell nearly all equipment not previously bought by other companies. The items will be offered each day.
Auctions will be held Tuesday, Nov. 1, through Friday, Nov. 2, beginning at 9:30 a.m. each day. On the Tuesday will be office equipment and supplies, wood-working equipment, welding and burning items and a transformer and substation.
To be auctioned Wednesday are radial drills, lathes, machines, shapers and other large equipment.
Thursday's offerings will include a negotiable steel feeders and storage bins, core blowing equipment, ladles and bails, oven and furnace cars, blast furnaces, and other equipment, scales, research and development equipment and miscellaneous equipment, both small and large.

Friday the auctioneer will offer two locomotives, a locomotive crane, giant bridge cranes, lifting magnets, gantry cranes, 27 railroad cars, loaders and tractors, trucks and automobiles, forklifts and pallet jacks, scales, air compressors and other items.

Other larger items are for sale on a negotiated basis including planer mills, ribbon flow systems, conveyors, a roto blast system an industrial X-ray system and other items.
The time periods during which the sold items must be removed from the plant will be specified before many of the items are sold. The company plans to keep some employees working until after all items have been removed for security, maintenance and cleanup operations.

The company spokesman said the plant will be open between 8 a.m. and 4 p.m. weekdays from now through Nov. 14 for those who wish to examine items before bidding on them.
The local plant was constructed in July 1962 and was acquired in 1964 by Clarence H. Howard and Harry M. Lewis, owners of the Commonwealth Steel Co. before it was sold to the General Steel Castings Co. of Eddystone, Pa., in July 1969.

At one time nearly 2,000 persons were employed here and remained at about 1,500 two years ago. In 1972, employment dropped below 1,000 for the first time in several decades.

The decision to close both the Castings Division and GSI's St. Louis Cast Division was made in December of 1972, putting about 1,450 persons out of work, about half from each plant.

Continuing financial losses and poor market prospects were listed as the reasons for closing the plants. The spokesman said today there have not been significant changes in the market since and no thought has been given to reversing plans and reopening the facilities.

CASH BOXES STOLEN
Burglars stole \$156 in cash from the RCA Stereo Center, 4127 South Drive, at Route 111, Ponton Beach, it was reported at 5:45 p.m. Sunday. The front door was found unlocked after the incident. Three metal cash boxes which contained the money were stolen and were found by Ricky Williams, 2905 Yale Ave., while hunting at Interstate 270 and St. Thomas Road. Checks worth \$163 were recovered in the boxes but the cash had been taken.

The Stue band will open its season with a concert at 8:15 p.m. Thursday in the Community Building theater. The public is invited, admission free. Debra Barham of Madison plays an oboe in the band. Granite Cityans in the group are Dan Cook, trombone, Alicia Henderson, horn, Jack Jenkins, oboe, Jacqueline Jensen, flute, and David Ledbetter, percussion.

Lewis and Clark College counselors will visit Venice High School Wednesday at 10:20 a.m. to discuss the High Wednesday at 1 p.m. and Granite City High School South Thursday at 6 p.m. They will provide information on entrance rules, financial aid and curriculum.

Langhorne Bond, state transportation secretary, said Saturday Gov. Walker will continue construction of the entire Illinois supplemental freeway system but "only in segments as the money allows."

U. S. Senator Charles Percy said Saturday he will seek repeal of the "rock" anti-trust law. He cited Collinville drug raids as an example of abuse.

News notes

U. S. unemployment dropped sharply in October, falling to 4 1/2 percent of the work force, the lowest since March 1970.

A statewide training center for sewage treatment plant operators is proposed for the StUE campus, utilizing part of a new classroom building to be erected with a \$2 million state grant.

Administrative offices of Sheriff John Maeras may be moved from the County Jail to the first floor of the former Bank of Edwardsville building. Lease-purchase arrangements are being negotiated.

Gov. Dan Walker and his chief environmentalist last week told Congress that clean water efforts are blocked by federal red tape and impediments of construction funds. The governor and John M. Marco, acting director of the Illinois Environmental Protection Agency, assailed U. S. EPA "bureaucracy and contradictory regulations, causing sewage treatment construction to come to a standstill."

The Illinois Senate Revenue Committee approved two rival state lottery bills last week; a GOP bill was authorized 10-4 and a Democratic bill 6-1. One or the other is expected to pass during the present special session.

Higher-than-estimated bids to erect the Oliver C. Anderson Hospital on Illinois 150 are being negotiated. S. M. Wilson & Co. of Granite City was low bidder on a general construction at \$3,730,971, or \$4,200,000 including all optional work.

Volunteers of the Pow-MIA (prisoners of war-missing in action) Committee at Scott Air Force Base will hold a fund-raising meeting at 7:30 p.m. Wednesday at Shakey's Pizza, 715 Market St., St. Louis. Guest speakers will include Mrs. Carol Plassmeyer of Belleville and Stephen Frank of Los Angeles.

Harry T. Morley Jr., executive vice-president, St. Louis Regional Commerce and Growth Association, will address the annual meeting of the East-West Gateway Coordinating Council at 7:15 p.m. Thursday at Augustine's, Belleville.

At annual recognition program honoring volunteers at Alton State Hospital will be held at 6 p.m. Wednesday at Cedar Cottage, with Doug Thompson speaking on "Community Responsibility for Mental Health." Twenty-five individuals and 20 groups will receive awards.

Bao constrictor lost and found

Police in the Ponton Beach area kept a little more than the usual "close eye" out Friday night and Saturday as they searched for a potential trouble-maker—a nine-foot boa constrictor.

The snake, named Tol'e, was reported missing from Paul's Mobile Home Park, 4140 Division St., just west of the Ponton Beach village limits at 8 p.m. Friday by its owners, Jim Jennings and Fred Walker. They normally allow the snake to slither loose in the home when it is not in its tank, a large aquarium filled with rocks. Tol'e had disappeared into a small closet housing the pipes to the bathroom.

Arrow Lodge honored

The E. Urner Goodman Award for inspiring promotion excellence was presented to the Cahokia Lodge, Order of the Arrow, at a Friday noon luncheon held by the North Central Region, Boy Scouts of America, in the Crown Center Hotel, Kansas City, Mo. George E. Fahl, national chairman of the Order of the Arrow committee, made the presentation to Jeff Tolliver of the lodge, vice-chief of the lodge. Representing the council camping committee at the presentation was W. F. "Mike" Strange, committee chairman. The Cahokia Lodge was one of 12 out of 460 Order of the Arrow lodges in the nation to be so honored.

More adoptions among service objectives

Increased adoptions and development of community-based service programs for dependent children coming out of institutions are among 12 major program objectives revealed last week by the state Department of Children and Family Services.

Director Jerome G. Miller said the department's goal is to place 1,500 children in adoptive homes in the year ending June 30, 1974, a 50 per cent increase over the previous year.

The agency emphasizes placement of school-age children and youngsters who have handicaps. Miller forecast stepped up recruitment efforts to place in adoption children who have been "stayed" in the foster care system for years.

The department also is encouraging development of innovative programs—for example, use of college students as advocates for neglected youth—to help serve some 750 children under state guardianship who were in private institutions at the beginning of 1973 and will be receiving non-institutional care in their home communities. Many of these youngsters are returning from out-of-state institutions.

Miller said he was making public the objectives because of Gov. Walker's emphasis on accountability of state agencies to Illinois taxpayers.

Detailed explanations of the objectives have been mailed to agency personnel, foster parents, executives of volun-

tary child care agencies, legislators, and other persons who have special interest in the state's child care program, he noted.

Other objectives to be met by next June are:

- Return to Illinois of at least 500 of the 785 dependent and neglected youngsters who were in out-of-state placement away from their families at the beginning of 1973.

- Completion of department reorganization to locate offices closer to people they serve and to eliminate middle-management levels that may impede service to troubled children and families.

- Development of a more effective agency response to reports of suspected abuse of children.

- Expansion of the department's utilization of volunteer workers.

- Establishment of realistic time limits for foster care of children removed from their homes.

- Study of the need for day care for children and how it can be used more extensively as a social work tool, especially for school-age children.

- Improved communication between department offices and juvenile courts by training social workers in each office to serve in court liaison roles.

- Annual evaluations of private child care institutions serving children under guardianship of the Department of Children and Family Services.

- Guarantee of opportunities for minorities through a planned program of the department's civil rights watchdog unit, the Office of Affirmative Action.

- Implementation of new information systems to give the department more ready access to statistical data for both program planning and fiscal control.

Miller said he is submitting quarterly reports to the governor on the department's progress toward fulfillment of its objectives.

Precise rules govern all hunting in state

When Baby Bunting's Daddy goes a-hunting for that rabbit skin, he'd better be careful not to use a spear; flush his target from the den by smoke, gas or mechanical device; lure it with a shining light; kill it with crossbow, or decoy it with a recording.

In an effort to promote hunter safety as well as greater compliance with hunting regulations, the state Department of Conservation has redrawn its summary of regulations.

In the process, the department has shot down the wily "whereas and wherefore" which previously populated the summary, and reduced it to readable English.

The newly compiled summary just released by the department represents a break with tradition. Formerly, the statutes were often quoted verbatim, with no limit on the amount of difficulty a layman might experience in trying to interpret them properly.

Since violation could mean a heavy fine, failure to know the letter of the law was a serious handicap when the hunter went a-hunting.

The new regulations, quite clearly, urge hunters to use ordinary courtesy in asking private property-owners for permission to hunt on their lands, as well as showing in one table the bag limits and hunting seasons for 19 birds and animals and the trapping seasons for fox, raccoon, opossum, skunk, weasel, mink, muskrat and beaver.

Hunting and trapping regulations are digested under such headings as "baiting" (don't do it when hunting migratory birds), "decoys" (live ones are forbidden) and "licenses" (everybody needs one).

Specific areas where hunting is permitted or forbidden are listed, and the point count values for migratory waterfowl are spelled out.

Some prohibitions are shown. It is not permitted to use a recording or an electronic game call, nor is it permitted to carry a sidearm or any firearm except a shotgun (10 to 20 gauge) when deer hunting. Crossbows are prohibited, as are rifle, pistol, revolver and airgun when hunting birds.

It is forbidden to take a bird

or animal with a spear. Firing a rifle, pistol, revolver or airgun on, over or into water or ice is prohibited, as well as firing any of them along, upon, across or from a highway or right of way. Hunting near fire is forbidden.

Hunters may not destroy nests, dens or houses of wildlife, and may not take wildlife from the den by mechanical devices, smoke or gasses.

Hunters are instructed not to use shining lights to procure a quarry, not to shoot sitting birds except to retrieve a cripple, and not to kill or cripple a target without a reasonable effort to retrieve it.

The various hunting sites managed by the department are listed alphabetically to show acreage, location, kind of hunting permitted and any special conditions.

Specific regulations for a particular site may vary widely from place to place, and can be obtained either at the site, or by contacting the conservation department offices in Chicago in the State of Illinois Building at 100 N. LaSalle St., or the department's Division of Wildlife Resources in the Springfield office, located in the State Office Building there.

Moser named chairman of Kiwanis inter-club unit

Kiwanian Donald M. Moser was appointed Thursday morning as inter-club chairman for the Granite City Breakfast Kiwanis club by President E. Ray Grisham at the club's business meeting at Charlie's Restaurant.

Moser, manager of Radio Shack, informed the membership that he hopes to organize at least one visit to another Kiwanis club by a delegation of five Breakfast Kiwanians at least once a month.

Grisham announced that the Altan club will celebrate its 50th anniversary on Saturday, Nov. 17 with a dinner and dance at Lockhaven Country club, and that District Governor Ralph Linder will be present. He asked the membership to attend the affair.

Melvin Gillette said he feels that Kiwanis and the other service clubs are receiving "excellent press coverage" by the Granite City Press-Record and that he wanted to thank the paper for its support of the local service clubs.

Grisham asked Mark Yehling to contact the Salvation Army and determine the date for the annual Thanksgiving collection

and that he suggest the Kiwanians be assigned to Grant City in the Nameoki Village Shopping Center.

Kiwanian Moser reminded the members of ladies night scheduled at 6:30 p.m. Thursday, Dec. 6, at Charlie's.

Members were asked to make their reservations as soon as possible by calling him at the Radio Shack, 451-9132.

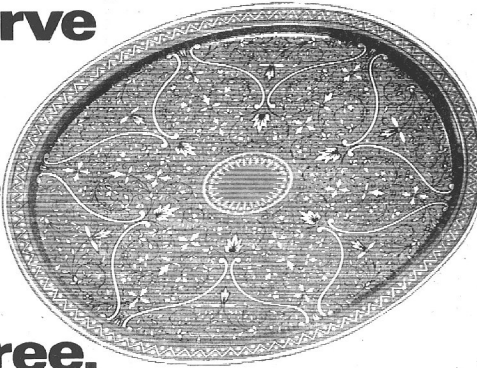

On a motion by Moser, the club voted to donate \$100 to be divided equally to the two Cub Scout Packs serving handicapped children, and \$200 to the general operating fund of the Cahokia Mound Council, Boy Scouts of America.

MOTORCYCLIST HURT
William Poelker, 24, of 3204 Wayne Ave., was injured when his motorcycle and the car of James Mailher, 1308 Robin St., Venice, collided at 21st Street and Niedringhaus Avenue last week. He was treated at St. Elizabeth Hospital for an abrasion over his right eye and injuries to his right shoulder, right leg and head. X-rays were taken and he was released.

Miss Mia Susan Oburn marries Harry A. Diak

Miss Mia Susan Oburn, a daughter of Mr. and Mrs. Elmer E. Oburn, 3000 Dale Ave., became the bride of Harry A. Diak, son of Mr. and Mrs. Andrew P. Diak, 2609 Missouri Ave., on Sept. 21 at the First Church of God in St. Louis, Mo.

The Rev. Emmitt B. Whalen performed the double ring ceremony at 8 o'clock in the evening in a candlelight setting. Miss Margie Settlemyer played the guitar and sang "The First Time Ever I Saw Your Face," "Never My Love," "Wedding Song," "Color My World," "Love, Look at the Two of Us" and "The Lord's Prayer." Organist Mrs. Ivan Meyer played "We've Only Just Begun" and "Jesus Only of Man's Desiring."

Given in marriage by her father, the bride selected a full length gown designed in an Empire style. The bodice was lavishly appliqued with heavy cotton lace in a pearl-etched leaf motif, was made with a high collar and open neckline.

Her long sheer sleeves were enhanced with lace appliques and wide cuffs and the semi-full skirt fell gently into a full cathedral length train.

She wore a camelot crown of lace and pearls to secure an elbow length veil of bridal illusion and held a nosegay of white roses, carnations and baby breath.

Maid of honor Miss Marcia Elberich chose a powder blue chiffon gown in Empire style with a round neckline and full bishop sleeves. A narrow white satin ribbon marked the high waistline and the tiers of the full skirt were edged in white satin. She carried a nosegay of purple statice, yellow daisies, larkspur, blue and white carnations and

baby breath with yellow streamers.

Miss Judy Morris, bridesmaid, was dressed in a maize chiffon frock identical in design to the honor attendant's gown. Her bouquet was festooned with blue streamers.

Both mothers selected formal length gowns. Mrs. Oburn was attired in a hot pink polyester dress made with an open lapel collar, Empire waist, long sheer chiffon sleeves and an A-line skirt.

Mrs. Diak wore a Empire style dress with long fitted sleeves set into a pale grey fitted bodice with a jewel neckline and a slightly flared skirt in rose pink. Their corsages were created of white carnations.

Richard Moore attended the groom as best man and Larry Diak, a brother of the groom, was groomsmen. Seating the guests were David Scott Oburn, the bride's brother, Frank Diak, a cousin of the groom and Earl Parsons.

Miss Debbie Boker registered the guests at a reception held in the church fellowship hall immediately following the ceremony.

The bride is a graduate of Granite City High School. Mr. Diak was graduated from Granite City High School and Belleville Junior College. He is a member and advisor of Royal Order of Christian Americans and is employed by the Madison County Highway Department and Corley's Standard Station.

Out-of-town guests were Mr. and Mrs. Orval Leukering and Mrs. and Mrs. Hyson W. Denton and son, James, of Marion, Ill.; Mr. and Mrs. Duward Book of Bonnie, Ill.; and Earl Parsons and Gus Della, both of San Francisco, Calif.

Kupinski-Novich wedding at Holy Rosary church

Miss Alexis Louise Novich and Ken Kupinski were united in marriage at 3 o'clock Saturday afternoon at Holy Rosary Catholic Church in Fairmont City.

The bride is a daughter of Mr. and Mrs. Frank Novich, 4417 Cookson Road, East St. Louis, formerly of Madison. Mr. Kupinski's parents, Mr. and Mrs. Orval Leukering and Mrs. and Mrs. Hyson W. Denton and son, James, of Marion, Ill.; Mr. and Mrs. Duward Book of Bonnie, Ill.; and Earl Parsons and Gus Della, both of San Francisco, Calif.

Tall burning tapers illuminated the sanctuary and bouquets of white flowers adorned the altar for the double ring ceremony performed by the Rev. Lloyd Misto.

Mr. Novich escorted his daughter down the white carpeted aisle and gave her in marriage. She chose a bridal gown of soft nylon designed with a fitted bodice, featuring a yoke of imported French lace embellished with seed pearls.

Lace formed the high stand-up collar and long, full shepherdess sleeves, appliqued with lace motifs, were lightly cuffed at the wrist. Her slightly gathered skirt fell softly into a full sweep train.

She wore a Camelot lace headpiece to hold in place a full mantilla veil bordered with a wide band of scalloped lace and she held a bouquet of white roses interspersed with pink and ruby red flowers and festooned with white satin ribbons.

Long gowns of ruby red velvet were worn by the adult attendants and flower girls. Their dresses made in

halter style with high necklines and A-line skirts were topped with long sleeve jackets.

Mrs. Frank Carril served as matron of honor with Misses Kathy Garcia, Linda Robert, son, Mary Ellen Roewe, Mary Sobel and Mrs. Judy Venorsky as bridesmaids. They held bouquets of mixed fall flowers in shades to coordinate with the wedding colors.

Cheerful Venorsky and Cindy Kupinski were the flower girls, carrying a basket of flower petals and the ring pillow. Prior to and during the ceremony, Mr. and Mrs. Wayne Bradshaw of Collinsville sang "We've Only Just Begun," "Speak Softly Love," "Because," "Ave Maria," and "Joy of Love," accompanied by the church organist.

The groom chose Frank Kupinski Jr. as his best man. Dan Norkus, Phillip Mahoney, John Lawans, Ed Venorsky and John Kerekovich Jr., served as groomsmen. Frank Carril and Alan Novich seated the guests.

A graduate of St. Teresa Academy in East St. Louis, the bride is employed as a clerk-typist by the U.S. Army Troop Support Command.

Her husband was graduated from Assumption High School and works at Granite City Steel Co.

The newly married couple received guests at a reception at Fischer's Restaurant, Belleville, following the ceremony.

They will reside in Belleville.

Zimmer-Lurton nuptials at Central Christian

Hurricane lamps lighted the white carpeted aisle and the altar was decorated with urns of white flowers and greenery, flanked by branched candleabra holding burning tapers, for the wedding Saturday evening of Miss Connie Lee Lurton and Gary Alan Zimmer at Central Christian Church.

Dr. L. Jim Anthiss, pastor, officiated at the 7:30 p.m. double ring ceremony.

Mrs. Judy Owens presided at the organ for the vocalists, Mrs. Lois Bilbrey and Joe Hanson, who sang "The Gift of Love" and Madge and Joe Hanson singing, "Sunrise, Sunset." Mrs. Bilbrey also sang "The Lord's Prayer."

The bride is a daughter of Mr. and Mrs. Edward D. Lurton, 1636 Venice Ave. The groom's parents, Mr. and Mrs. William M. Zimmer Jr., live at 3238 Westchester Drive.

Given in marriage by her father, the former Miss Lurton selected a floor length A-line gown of ivory miracle mist over taffeta. A sheer tucked yoke was enhanced with rows of Cluny lace and tiny covered buttons. The high stand-up collar was fashioned of matching lace and lace detailed the high rise waistline.

Cluny lace capped the long sheer sleeves at the shoulders and also created the cuffs. She wore a cathedral length veil bordered with lace and she carried a Williamsburg nosegay of Golden rods, baby breath and ivory satin ribbons.

The maid of honor was Miss Karen Lurton, a sister of the bride, and the bridesmaid was Miss Mary Stroyoff.

They wore cocoa brown chiffon gowns, A-line in style, with natural waistlines and stand-up collars of ivory Venice lace with brown insertion ribbon. Verticle rows of the lace and ribbon trim accented the bodices and cuffs of the long puff sleeves.

Bows of ribbon and lace secured their short nose tip brown veils and each girl held a bouquet of pom poms in harvest shades, centered with green Fuji mums.

David Zimmer, a brother of the groom, served as best man. The groomsmen were Mike Willis. Seating the guests were Jerry Duncan, Mark Speer, Cullen and David Luckert, the bride's cousins.

Mrs. Lurton chose for her daughter's wedding, a floor length A-line gown of apricot sateen. The Empire bodice was marked with ivory Venice lace and insertion ribbon and the trim was repeated on the cuffs of the long sheer sleeves. A green cymbidium orchid was attached to her purse.

The groom's mother, Mrs. Zimmer, was attired in a long ivory polyester dress made with a dark brown lace bodice and long sleeves. The collar, cuffs and a set-in waistband were in ivory polyester. Her purse corsage was composed of harvest pom poms.

A rehearsal dinner was given at Lewis and Clark Restaurant. The reception was held in the Terrace Room and patio area of the church immediately following the ceremony.

Both young people are graduates of Granite City High School. The bride is employed at the Defense Mapping Agency, Aerospace Center, St. Louis.

Her husband works for the May Co., St. Louis and attends Southern Illinois University at Edwardsville.

After a wedding trip to Florida, the newlymarried couple will reside in Granite City.

Listed in educators' book

Eugene L. Aiassi, administrative consultant of art education in the Granite City School District, has been nominated to appear in the first annual edition of Outstanding Educators in America, a national reference directory that identifies "Who's Who" in American education.

Educators selected to appear in the publication are those whose background, scholarship, service and achievements are worthy of note, according to Thomas E. Woods, editor-in-chief.

The volume marks the first time elementary and secondary teachers and administrators have been included in the same directory with college faculty members and administrators.

The Biographical publication, compiled by the Academy of American Educators, will be distributed worldwide and used as a standard reference by biographers, historians, journalists, corporations and librarians, Woods said.

Aiassi has a total of 32 years teaching experience, including 26 years in the Granite City School District. He has been an

Bethel Chapel scene of Peters-Miller wedding

The wedding of Miss Laurie Lea Miller and Dennis Hugh Peters was solemnized at 7 p.m. Oct. 12 at Bethel Chapel, Pentecostal Church.

White mums, pink roses and blue baby breath bouquets decorated the altar and lighted blue tapers illuminated the sanctuary for the evening ceremony performed by the Rev. Clifton Gailher.

Parents of the bride are Mr. and Mrs. James E. Miller, 2234 Missouri Ave. The groom is a son of Mrs. Dorothy Baron, 3223 Willow Ave., and the late Ralph Peters.

The former Miss Miller wore a gown of white silk organza and delicate Chantilly lace. A sheer yoke was accented with lace motifs to form the high neckline of the fitted bodice.

Long tapered sleeves were fashioned of matching lace and her bouffant skirt was created of alternating tiers of lace and organza.

She chose a flat lace bow to secure a mantilla veil of Chantilly lace and she carried a cascade of white carnations, pink roses and pink baby breath, festooned with multi-colored streamers.

Miss Patricia Anne Miller, a sister of the bride, was maid of honor. She was gowned in a full

length dress of sheer rose pink fabric made in an Empire style with long sleeves. White lace marked the neckline and edged the A-line skirt.

Miss Debbie Lyn Brimm and Miss Karen Sue Ishmeal, bridesmaids, were in identical aqua blue dresses, created in a style similar to the honor maid's gown.

Each attendant wore a bow in her hair and carried a colonial bouquet of blue carnations and pink baby breath encircled with lace and blue streamers.

The flower girl, Lisa Marie Shelton, appeared in a miniature bridal gown and carried a basket of pink, white and blue petals and blue daisies.

James Curtis Shelton served as the ringbearer.

Jeanette Laswell and Linda French, candlelighters, wore full length pink frocks.

The groom chose Thomas Moran as his best man. Groomsmen and ushers included Mark Pashea, Bill Rutledge, Ron Bouillon and Barry Gardner.

A reception was held at the Tri-Cities Area YMCA following the service.

Both the bride and groom are graduates of Granite City High School. Mr. Peters is employed by the Terminal Railroad.

MRS. RANDY W. HOLLIS. The former Miss Sandra Kay Serini, a daughter of Mr. and Mrs. Robert Serini of Marana, Ariz., who was married at Madison United Methodist Church. She has been residing with her grandparents, Mr. and Mrs. Lester Thiele, 1509 St. Clair Ave.

Sandra Serini becomes Mrs. Randy W. Hollis

Madison United Methodist Church at 1657 Fifth St., was the scene of the Oct. 13 wedding of Miss Sandra Kay Serini and Randy Wayne Hollis. The Rev. Donald Bogue officiated.

Burning tapers in seven-branch candelabra illuminated the sanctuary for the 7 o'clock evening ceremony. Miss Alicia Hendrickson sang "Love Story." "Let There Be Peace on Earth" and "You'll Never Walk Alone." She was accompanied by Miss Karen Koliste at the organ.

The bride has been residing with her grandparents, Mr. and Mrs. Lester J. Thiele, 1509 St. Clair Ave. She is a daughter of Mr. and Mrs. Robert Serini of Marana, Ariz.

Parents of the groom are Mr. and Mrs. Wayne Hollis, 2025 Logan Ave.

For her wedding, the former Miss Serini appeared in a white crepe gown, full length, designed with an Empire bodice and a high collar edged with narrow lace ruffling.

A tucked yoke was enhanced with lace and tiny covered buttons, accenting the high rise waist. The long Renaissance sleeves were trimmed with lace wrist bands with matching lace bordering the hem of the A-line skirt.

She wore an organza and lace petal headpiece to secure an elbow length veil of illusion and she carried a crescent bouquet of white carnations, mint baby breath and greenery, looped with mint colored streamers.

Miss Donna Reeves, maid of honor, wore a Empire style frock created with a solid yellow bodice, long sheer sleeves and a skirt of yellow print. The tiny stand up collar was in matching print fabric.

The bridesmaids, Miss Kathy Werner and Miss Diane Davis, chose gowns identical in style to the honor attendants' dress in blue and pink.

Each girl wore a white picture hat and held three carnations in mint and yellow with rainbow colored streamers.

Tina Marie Cochran, a cousin of the groom, was flower girl. She wore a flower imprinted frock in lilac, with a velvet ribbon marking the Empire waist and a ruffled flounce

around the hem. She held a single mint carnation.

John Kelley was best man. Groomsmen were Mike Hollis, a brother of the groom and Stephen Hollis, the groom's cousin.

Seating the guests and serving as candlelighters were David Gregory, the bride's cousin and Darrell Hamilton. A reception was held immediately following the service at the Venice Recreation Center. Mr. and Mrs. Hollis, parents of the groom, hosted the rehearsal dinner in their home.

The bride is a 1973 graduate of Marana High School. Her husband was graduated this year from Granite City High School and is employed by Terminal Railroad.

They are now residing in Madison.

Mrs. Thiele, the bride's grandmother, chose a pale blue polyester gown, floor length. The Empire bodice was made with an open lapel collar and accented by tiny covered buttons. The chiffon sleeves were long and the skirt was designed in A-line style.

The bridegroom's mother appeared in a long light blue knit gown fashioned with long sleeves and a V neckline. The high rise waist was detailed with a rhinestone brooch. Both ladies wore white carnation corsages.

SUIT AGAINST RAILROAD
James Smith has filed a \$100,000 suit against the Norfolk & Western Railway Co., alleging that while he was a carman in the Madison Yard, Feb. 24, 1971, he was assisting in the placement of a couple on a car being repaired and suffered injuries to his face, head and body in an accident.

SUES AFTER ACCIDENT
Edna Lamb has filed a \$25,000 suit against Fred M. Meng, alleging that on July 18, 1973, her car was struck from behind by Meng's auto on Nameoki Road. She suffered injuries to her neck, head, back, legs and arms, according to the suit.

Warriors seek 2nd straight state soccer title after 1-0 thriller

By KEN THOMPSON
Press-Record Staff Writer

If one were writing a book, "Only Seconds" would be an appropriate title in telling the story of the Jacksonville-GCHS South clash for the Illinois state soccer sectional championship Saturday at South Field. The hosts won 1-0.

Only seconds remained as the Warrior Ted Guggus threw the ball inbounds to a waiting Charlie Bennington deep in South territory.

Bennington shuffled it to midfield, where he gave it to Mike Martinez. Martinez headed it past several Crimson defenders to the right side of the field and powered it into goal. Bennington then the left corner of the net.

The score gave South a 1-0 victory and its second consecutive sectional title. It was recorded with only five seconds left in the game.

It was a repeat of last year's sectional clash between the two teams. Both had captured their respective district tournaments

and South posted a 1-0 shutout to go on to the state finals at Normal, as it will again, starting Friday.

Jacksonville Coach Manuel Velasco said, "We came here to win, but now we will be cheering for South all the way to another state championship." GCHS holds the only Illinois state soccer crown.

The Crimson team played with an extra man on defense, which was effective in stopping the accurate short passing game the Warriors are so noted for.

Coach Gene Baker told the Press-Record, "There was no way we could go on short passes. Jacksonville's sweeping defense literally plugged the midfield area and forced us to rely on long shots, which could have been disastrous."

One of those long passes could have cost South the game when goalie Keith Kibort was pulled out to stop the ball and then dropped it at the foot of Jacksonville's Mark Price.

Price had a clear shot at the open goal but instead attempted a short pass to one of his teammates for a straight-in

shot. Guggus was there to kick it back to Kibort who pulled it in. The Warriors failed to score on two other close chances in 25 attempts.

In the first quarter, Bennington kicked a boomer from 25 yards out only to have it spin off to the left at the last moment.

Martinez, who had nine shots at the goal, powered one into the right corner of the net early in the fourth quarter but the referee ruled his kick was made too high.

Verson was credited with saving ten Warrior goal attempts and Kibort with saving all of Jacksonville's six shots.

South had three corner kicks to the visitors' one, which would have given the local team the win if the game remained scoreless.

Illinois High School Association rules allow a tie game to go into a five-minute overtime period and then a second five-minute period if neither team has scored.

In the event both teams still remain scoreless at the end of the second overtime, the school with the most corner kicks is declared the winner.

Baker commended Guggus and Don Goldschmidt for their strength in the backfield and said Keith Gehling was instrumental in executing the Goldschmidt and Martinez are tied for the school record of the most individual goals in one game, with 27 apiece.

The Warriors will be seeking their second straight state title when South carries its 19-11 record against either Morton

East or Wheaton Central in Friday's first-round game of the IHSA state finals at Normal.

"We accomplished today what we set out to do," commented Baker. "We avenged our sister school's (GCHS North) district defeat, at the hands of Jacksonville."

"Now it's on to state and a try for another soccer championship, not just for us, but for Granite City."

Trojans display grid power but losing streak continues

The Trojans of Madison High Saturday failed to repeat last year's grid victory over Francis Howell (Weldon Springs, Mo.) as the visitors, ahead by one point at the end of the game, scored in the final period of play to clinch its 21-12 win at Madison.

Howell got on the scoreboard in the first quarter on a 5-yard dash by John Gannon after Quarterback Peanut Counts engineered a 66-yard drive from his 34. Mark Manson added the extra point with a kick for a 7-0 lead.

Madison, playing its best game of the season, according to the coaching staff, bounced back in the next series of play with a screen pass to Willie Shearry who rammed 66-yards and to the end zone. Timmons missed on the extra point kick and the Trojans trailed by one.

Counts, in 9 plays, moved from his own 40 to the end zone in the second period to Madison three and carried it over on a quarterback sneak to take a 13-6 halftime lead. The extra point kick failed.

Madison's defensive unit literally pounded Howell into the ground early in the second half and Chris Stanley ran 65-yards for a Trojan touchdown after picking up a Howell fumble on the visitor's 35 yard line. Timmons attempted a two-point conversion pass which was knocked down and again Madison was within one point.

Coach Al Vonder Haar remarked, "We played tremendous football. The fourth quarter was a battle of the defensive teams."

With only minutes remaining Council led his team to Madison's 8 where he handed the ball to Gannon for the TD dash. A two-point conversion failed to Dan Cross ended the scoring.

Madison, with an 0-7 record, yet to post its first win of the year. The Trojans play next to Borgia (Washington, Mo.) at 2 p.m. Saturday in Madison and again at 7 p.m. in St. Louis. According to Vonder Haar, "We are beginning to make a break through."

Pioneers squelched by South grid sophs

GCHS-South freshman offensive and defensive grid units had a field day Thursday, including three touchdowns by Dana Wallace who rushed for 290 yards, as the Warriors defeated the Pioneers 40-0 at Assumption High in East St. Louis.

Quarterback Keith Champion led the attack with two TD's of his own before Wallace posted three in a row. Mike Fisk then dashed 30 yards into the end zone for another. John Cionko punted a two-point conversion with a run.

Cionko also was credited with two pass interceptions and Mark Aldridge and John Phillips boosted the defense by recovering enemy fumbles.

Coach Leonard Lybarger, in praising the team's efforts, cited defensive line backer Brett Gauen for 15 tackles against the Pioneer ground game, helping limit the enemy to only one first down.

The Warriors will be seeking their fourth consecutive victory Thursday against Cahokia here.

Honor Steeler gridders today

The Steelers' Booster Club of GCHS North will focus its attention this evening on the school football teams during a special "hospitality day" program for all football players, their families, students and cheerleaders. The event will immediately follow practice at 5:30 p.m. in the school's cafeteria.

Long kick, defense aid grid Steelers in 17-7 victory for 4th in row

The amazing Steelers of GCHS North, in the dumps after being defeated in their first four games of the season, have bounced back to defeat their last four opponents. The latest victim was Collinsville, 17-7 Friday night in a game which may be talked about for years to come.

The Kahok homecoming game turned into a wake as North scored touchdowns in the first and fourth quarters enroute to victory. The foot of Lenny Wright was the talk of the town after it provided two extra points for the Steelers and a 45-yard field goal, the latter an unusual feat in high school football.

I knew it was good from the moment it left my foot," the happy Wright said.

Wright's kick followed a GCHS pass interception by Bill Carr to give the Steelers possession on the enemy 38. In a fourth down and 20 yards to go situation, Wright was called on for the field goal and it gave

North a 10-0 first quarter lead. The first TD came after a 32-yard pass play to Cary Simpson moved the ball to the Kahok 20. Ed Settle scored on a Gene Logas 19-yard screen pass and Wright added the extra point.

Collinsville's best series came in the second quarter on a third and 22-yards-to-go play. From the 30, Quarterback Lou Greer released a 62-yard pass play to Mike Thaxton for the touchdown. The extra point kick was good and the Kahoks trailed 10-7 at halftime.

Collinsville hopes of tying the game in the third period ended with a 29-yard field goal attempt.

North put the icing on the win on a Collinsville fourth down punt snap from center at the Steeler 40. The ball sailed over the head of the holder and rolled 35 yards to the Kahok 27.

Wright moved the ball 14 yards on a hand off from Logas to set up a 13-yard pass from Logan Larry Schleicher in the end zone.

Schleicher told the Press-Record, "Collinsville had a good defensive unit which limited our passing game. But on the ground we were usually able to get through the line."

Statistically, Collinsville could have won the game. North had 166 yards in passing and rushing and seven first downs, compared to the Kahoks' eight first downs and 200 total yardage.

Defensive Tackle John McMillan was credited with helping stop the host team's ground game with several strong rushes, resulting in a sacked quarterback behind the line of scrimmage.

Safety Bill Carr was instrumental in thwarting the enemy air attack, knocking down five passes which could have gone for TD's as well as making the interception which led to a Steeler TD.

North 4-4, will match its wins and losses in a 7:30 p.m. game at Mattson Friday, with hopes of continuing its winning streak.

Sophs stop Maroons

The freshman football squad of GCHS North upped its season record to 5-1 Thursday after defeating the visiting Belleville West Maroons 41-18.

North, with Quarterback Greg Corey at the helm, scored three times in the first period, a quarterback sneak from the two after a 55-yard drive, on a 27-yard pass play from Corey to Leo Pelek and on Pelek's 8-yard end zone dash, to command a 21-6 halftime lead, including three successful extra point kicks.

The Steelers took control of the second half with Mickey Smith's 90-yard touchdown run

on the first play from scrimmage after receiving West's kickoff on its 10.

Smith scored again late in the third quarter on a Corey pitch-out and a 20-yard scramble to give his team a 34-6 lead going into the final period, including one extra point kick.

West bounced back to post two TD's on pass plays totaling 125-yards to make it 34-18 before Paul Harris (St. Louis) St. Dominic (St. Louis), St. John (St. Louis), Whitfield (Mo.), Assumption (E. St. Louis) and Gibou (St. Louis).

Corey hit on five of his six extra point kicks.

Terry places at state meet

GCHS South Harrier Dwayne Terry, competing in his first state championship meet Saturday at Peoria, posted 102nd place finish in 15:20. The Elmhorst (York) Ducks captured their third straight team title, only the second team to do so.

Warrior Coach Dick Harmon told the Press-Record, "Terry, in only a junior, his time was good for his grade level. Next year he should be right up in the finals."

Dave Walters of Lincoln paced the field with a blistering 13:37 to win the 20th annual meet, just off the course record of 13:50 set last year by Lebanon's Craig Virgin.

Steeler Kickers in tournament

The Soccer Steelers of GCHS North, eliminated in Illinois district competition last week, will participate in the 1974 tournament which begins at 7:30 p.m. today on the St. Paul Field.

Seven area teams will participate in the double elimination play. The teams are: (St. Louis) St. Dominic, (St. Louis) St. John, (St. Louis) Whitfield (Mo.), Assumption (E. St. Louis) and Gibou (St. Louis).

The Steelers will open the tournament with a first round game against DeSales, a team it defeated 5-0 in regular season play.

Case rules clinic set

Officials of the Southwestern Athletic Association will conduct a basketball rules interpretation clinic on Wednesday, Nov. 14, at the GCHS North gymnasium beginning at 7:30 p.m.

The Steelers varsity basketball squad will play two periods while officials explain the different plays and applying rules.

The clinic is being offered free of charge to persons interested in the game and to the general public.

Schmitt heads clinic

Warrior Mat Coach William "Red" Schmitt will be the interpreter at the Illinois High School Association (IHSA) wrestling rules meeting Thursday at 7 p.m. in the GCHS South gymnasium.

The meeting, mandatory for those intending to officiate at wrestling events, will include IHSA rules interpretations and the mechanics of officiating. Attendance will be taken, and those not present will be placed on probation by the IHSA.

Khoury case meeting

The Mitchell Athletic Club will hold a basketball registration meeting tomorrow and Wednesday, from 8 p.m. to 8 p.m. each day, at the Mitchell Grade School gymnasium for boys in the third to twelfth grade age level who are interested in joining the Khoury Basketball League. Coaches and Managers are also needed.

Bowls close game

Mrs. Polly Robertson of Granite City, bowling for the Sedlack Mortuary, bowling team, had a near-perfect game Friday night at Bowland. She bowled a 276 game with nine consecutive strikes and a spare in the tenth frame. She also posted a 631 series.

South High shows power in 35-14 conquest of Comanches

GALLOPING GROUND GAINER Dale Williams (26), Warrior halfback, picking up yardage Saturday as South High defeated Cahokia 35-14. Other Warriors in the photo include Mike Stanton (54), Kevin Hollis (66), John Avedisian (75) and Tim Kilian (76). (Hank Funkhouser Photo)

By KEN THOMPSON
Press-Record Staff Writer
The Fighting Warriors of GCHS South put together 17 first downs, 308 yards rushing, 87 yards in the air, a pass interception, recovery of three enemy fumbles and five touchdowns before Saturday to defeat the Cahokia Comanches 35-14 for the second consecutive year.

South's defense held Cahokia to 12 first downs (five until the final period), 203 yards on the ground, one pass completion for 42 yards and no TD's until the fourth quarter.

Dale Williams, 6-0, 170-pound senior, moved closer to the 1,000-yard season rushing mark by gaining 208, including 27 yards in his team's 80-yard first period drive.

Cahokia had failed to move the ball after the kickoff and punted it to the Warrior 20, from where Quarterback Dave Dombek put together a nine-play drive ending with an eight-yard TD pass to Mike Lansaw.

Bryan Bunjan connected with an extra-point kick.

The visitors failed to gain ground a second time. With three minutes left in the quarter, South drove from its 30 to the Cahokia 35. Dombek threw an aerial bomb but Comanche Keith Kessler snared it at the goal and ran it back to the 20.

On the next play, 15 seconds into the second quarter, Kirk Champion intercepted Randy Malawy's screen pass at the 33. The Cahokia defense limited South to a 13-yard advance and then hit Chris Mueller from behind, causing a fumble retrieved by the visitors.

Cahokia ran out of downs on the Warrior 48. Keeping the ball on the ground, Dombek moved in eight plays to paydirt, handing off to Williams from the three. A kick failed and it was 13-0 at halftime.

Receiving the second half kickoff, South marched straight downfield for a third score. Williams returned it to the 14 and he and Paul Muhlill moved the ball to the 26.

With second down and nine yards to go, Williams sprinted 74 yards down the right sideline. Bunjan, faking a kick, rolled right and fired a two-point pass to Ray Smith for a 21-0 lead.

Keith Hollis stopped an enemy drive eight plays later at the South 20.

Malawy, after a march from his 42 to the Warrior 25, scrambled on third-down-and-four. He picked up a first down but then fumbled, with Hollis recovering.

A 15-play drive which extended into the fourth period moved the ball to the enemy 30 but South suffered a loss on a fourth down play. Cahokia failed to move past midfield, and on the first Warrior play there was a 50-yard TD pass from Dombek to Lansaw.

Bunjan kicked the extra point for a 29-0 lead with eight minutes left.

A 60-yard Cahokia drive reached the end zone on a three-yard carry by Wayne Towne. Jim Johnson's two-point attempt failed, and the Comanche defense forced apart from the South 34.

Gary Bailey called for a fair catch at his four and his fumble was recovered by South. Champion, in at quarterback, scrambled around left end to score. Bunjan's kick made it 35-6 with three minutes left.

Cahokia started from its 20 and Malawy passed 42 yards to Cal Neuman at the South 38. Bruce Wilson and Bunjan stopped him from breaking loose.

A personal foul moved the ball to the 17 and five plays later Johnson plunged over from the one for a TD. Towne's run around left end added two points with 35 seconds to play. The game ended with South on the Cahokia 43.

South is now 5-3 but has failed in its Southwestern Conference title try. First-place Belleville West won 28-21 over Edwardsville Friday night and East St. Louis downed Assumption 36-6 Saturday afternoon. Alton upset Belleville East 13-0.

Mississippi Valley winners were Roxana 6-0 over O'Fallon, Mascoutah 28-0 over Bethalto, Highland 22-6 over Jerseyville and Wood River 13-0 over Triad. Dupu defeated Chester 28-7.

South will visit Jefferson City, Mo., for a non-conference game at 8 p.m. Friday.

In race for treasurer

Michael Henkhaus, 30, of Mitchell, will bid for the endorsement of the Madison County Democratic Central Committee as a candidate for county treasurer in next year's March 19 primary election.

Henkhaus, an employee in the courthouse at Edwardsville for the past nine years, said that he "believes it is time for a change" and that he expects help in his campaign from "a lot

of young volunteers." George Musso, incumbent treasurer, has made no announcement as to his campaign plans at this time. Henkhaus said that he does not know if he will make a primary fight in the event he does not get the committee endorsement.

Henkhaus is a native of Bethalto. He now is head of the probate division in the office of Circuit Clerk Willard Fortell.

Incumbents seek re-election

Three incumbent County Board members of Quad-City districts were among those filing petitions of candidacy in the Feb. 12 primary board election at the county clerk's office in Edwardsville today.

The filing period for candidates in 14 of the county's 29 board districts, opened today and will continue through Nov. 13.

Incumbents filing nominating petitions today were Albert Doerr, South Roxana, in Chouteau District 16; William Webb, 402 Stearns Ave., in Granite City District 19, and Louis E. Whitsell, 3 Westgate Drive, in Nameki District 25. Walter Sparks, Chouteau township supervisor and a former member of the old County Board of Supervisors, also filed today as a candidate to oppose Doerr in District 16.

Steel price rise

National Steel Corp. announced today that it will increase base prices of sheet steel products effective Jan. 1. The increases follow the pattern of those announced recently by other sheet producers. Changes in dimensional and processing extras also will be made then.

re-election

Doerr defeated Sparks in the County Board reorganization election two years ago. All those filing in Quad-City districts this morning will seek nomination on the Democratic ballot.

APPROVE BUDGET

The three trustees of the Long Lake Fire Protection District unanimously approved Saturday a \$60,000 budget for the next fiscal year. The budget provides \$45,000 for the Long Lake Volunteer Fire Department and about \$15,000 to pay off the cost of one fire truck.

Mrs. Wilma Buente dies

Mrs. Wilma "Billie" Buente, 63, of 2614 Benton St., a 43-year resident of Granite City, died at 1 p.m. Sunday at the Colonnades Nursing Home where she had been a patient for six and a half years.

Born in St. Louis, she lived there until moving to this area. Prior to her illness, Mrs. Buente was employed as secretary to the president of American Car and Foundry for 10 years.

Mrs. Buente was a member of St. Peter Evangelical United Church of Christ and the first president of the Granite City Junior Service Club. She also belonged to the Elks and the Women's Guild of the church.

Survivors include her husband, William Buente, co-owner of Buente's Shoe Store, 1941 Delmar Ave., two sons, Jack Buente of Belleville and Robert Buente of Granite City; a brother, Maurice Benson of Kansas City, Kan., and two grandchildren.

Funeral services are given in the obituary column.

Annual Civil Air Patrol evaluation

The Illinois Civil Defense Agency's Emergency Operating Center served as main headquarters for the annual Civil Air Patrol Civil Defense Evaluation Exercise held this weekend.

E. Eric Jones, director of the state Civil Defense, and Guy Wood, director of the Division of Aeronautics, flew to various airports in the state to observe the operations.

Col. Art Schneider is commander for the Illinois Wing of the Civil Air Patrol. Robert S. Ritz Jr., deputy director of the ICDA, and Gerald Day, also of the state Civil Defense staff, served as operations officers for the exercise.

A six-man U. S. Air Force team headed by Col. Steve King of Wright-Patterson Air Force Base near Dayton, Ohio, evaluated the exercise, part of a nationwide program to test the emergency readiness capability of the Civil Air Patrol.

The Civil Air Patrol has responsibility for military support to civil authorities during natural disasters within the continental U. S.

The Illinois Wing regularly is rated among the top units in the nation.

In addition to the Springfield location, five Civil Defense mutual aid regional offices were activated and five airports were manned by mission coordinators from both organizations. Both radio and telephone communications were used to coordinate the exercise.

The five Civil Defense offices are located in Milan, near Moline; Wheaton; Western Springs; Champaign, and Belleville. Airports used during the exercise were Moline; Half Day, near Wheeling; Headliner, in Park Forest South; Mattoon; Civil Memorial at East Alton, and Springfield.

About 75 aircraft were assigned several hundred simulated emergency missions during the exercise, which began Friday at 5 p.m.

A fly-in briefing completed the exercise Sunday noon at Springfield Airport.

Ways to save in usage of energy

In support of the current energy conservation program, the Treasury Department has listed selected actions that could be taken by the American public and industry to reduce energy demand.

"Savings could amount to about three million barrels of oil a day, assuming an all-out effort," William E. Simon, deputy secretary of the Treasury and chairman of the President's Oil Policy Committee, reports.

Total U.S. oil consumption presently is about 17 million barrels a day.

The United States imports about six million barrels of oil daily, of which 1.1 million barrels come directly from North Africa and the Middle East, 2.7 million come from the Caribbean and Latin America, and 1.4 million from Canada.

"The savings resulting from these conservation measures are an impressive indicator of just how much waste could be eliminated from our energy consumption habits without severe economic consequences or major changes in life style."

"If consumers would voluntarily implement these measures, the savings could enable the U.S. to avoid a serious energy problem," Simon said.

Recommendations include:

1. Reset thermostats controlling room temperature in homes by three degrees, summer and winter.
2. Improve efficiency of energy utilization in industry and commercial buildings, the latter involving heating, cooling and lighting revisions.
3. Require automobile tuneup every six months.
4. Stop use of hot water for laundering, by using cold water detergents.
5. Reduce speed limits for passenger cars to 50 miles an hour.
6. Increase load factors on commercial aircraft to 70 per cent from 50 per cent.
7. Develop wider use of car pools—2-3 passengers in lieu of 1-3.

Recommend 5 zoning requests

The Madison County Zoning Board of Appeals has recommended that five area zoning requests be granted and one denied. The recommendations are to be considered by the Madison County Board Nov. 28.

A request by Anna Taylor, owner, and Omer E. Horn, operator of an auto body shop, to operate an auto body shop in an existing two-car garage in an R-3, single family residential district at 4242 Division St., Nameoki Township, was among those for which approval was recommended with the provision that no cars be stored on the outside of the building. Also recommended for approval was a request by Harold Smallie, owner, asking for a variance to create two lots of less than the minimum required size in an R-3 district of Nameoki Township at Morrison and Donaldson roads.

The request of Hubert and Louisa Hall, owners and occupants of a mobile home, to place a double-wide mobile home in an M-2 general manufacturing district of Chouteau Township at the south end of Chouteau Slough Road.

Denial of the petition of George Zaharakis, owner, and Darlene Farmer, purchaser, was recommended. The request was for a special use permit to operate a care center for handicapped persons in an R-4 single family residential district of State Park, Nameoki Township.

\$44,850 bid on Alton dam work

Bids calling for work rehabilitating the electrical facilities at Locks and Dam 26 at Alton have been opened by the St. Louis District, Army Corps of Engineers. Apparent low bidder was King-Fisher Co. of Des Plaines, Ill., at \$44,850. There was one other bidder.

Locks and Dam No. 26 was placed in operation in 1938 and is considered one of the most heavily used structures on the Mississippi River waterway. The locks reached their design capacity at 41.5 million tons in 1974.

1968. Last year, tonnage passed through the locks was 54 million tons.

There has been a continuing effort by the Corps of Engineers to keep the present structure at operating efficiency until the replacement structure can be completed. The new Locks and Dam 26 will be constructed two miles downstream and is expected to require ten years to build.

The project has been authorized and funded for a construction start in fiscal year 1974.

Restore death penalty

The Illinois Senate on a 40-2 vote last week sent to Gov. Daniel Walker a bill reinstating the death penalty.

The vote tally, with five voting present, accepted changes made by Gov. Daniel Walker in an amendatory veto.

The House acted 128-57 earlier in the fall session and the governor has said he will sign it.

Except for "compelling reasons for mercy," the bill requires a three-judge panel to sentence to death persons convicted of multiple murders; murder resulting from a contract killing or air hijacking; the murder of an on-duty fireman, policeman or prison employee; or murder resulting from rape, arson, kidnapping, child molestation or robbery.

Those ordered to die will be able to exhaust all legal appeals before execution.

Service honored

Mrs. Beverly J. Sumonia, daughter of Mr. and Mrs. Harold F. Etzkorn Jr., 2349 Arnold Drive, was awarded a certificate of achievement while employed by the U.S. Army Base Command, Okinawa, Directorate for Logistics, Directorate for Maintenance Operations.

Mrs. Sumonia earned the award for meritorious service as a clerk-stenographer for Special Shops Division of the command.

Her husband, Specialist Four Milan V. Sumonia, is serving with the command's special troops on Okinawa.

\$50,000 SUIT FILED

Granite City Trust & Savings Bank, as administrator of the estate of the late Mrs. Thelma Martin, deceased, has filed a \$50,000 suit against Leo Martin, husband of Mrs. Martin. The suit charges that on Sept. 25, 1973, she was a passenger in a car driven by her husband on Route 3 near Route 51 in Alexander County when she was fatally injured in an accident. She left surviving, in addition to her husband, five minor children.

Poetry contest winners

Madison High School Humanities students were winners in the Gwendolyn Brooks Poet Laureate Poetry Contest held last spring.

The awards ceremony was held last week at the Chicago Public Library.

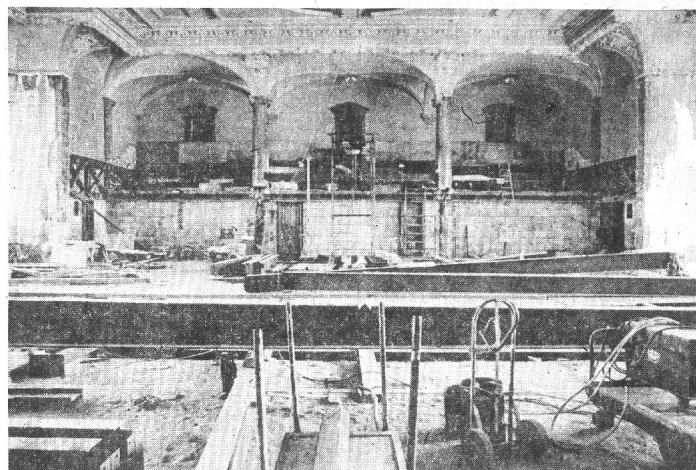

They are three of 20 selected from the state of Illinois whose poems have been published in a book under the supervision of Miss Brooks.

Each received several copies of the book. The recipients were Miss Jamesetta Reed, freshman at Princeton University, daughter of Mrs. Jewel Hampton, 614 Meredocia Ave., Venice; Miss Linda Gilliam, junior at Madison High,

daughter of Mrs. Floyd E. Gilliam, 1731 Rhodes St., and Roy Jackson, junior at Madison High, son of Mr. and Mrs. Glen Jackson, 1538 Second Street. The winners were unable to attend the ceremony. Mrs. Marilyn Hughes of Chicago, sister of Miss Reed, accepted the awards on behalf of the students.

DRIVER CHARGED

Mildred Joyce, 2743 Sunset Drive, was charged with failure to yield the right-of-way after her car and the auto of Melvin Aubuchon, St. Louis, collided at 20th and Denton streets at 11:35 p.m. Friday.

FACE-LIFT. Illinois state representatives face some inconveniences when they meet in the Centennial Building Auditorium, but it's not likely they would fare

any better in the House Chamber as it now stands. The ornate hall was gutted last summer in connection with a massive rehabilitation project.

APARTMENT LOOTED

About \$100 cash and \$100 worth of furnishings were taken from the apartment of Raymond Dintelman, 400 Madison Ave., Madison, it was reported at 11:45 p.m. Friday.

L. E. Williamson dies at 49

Louis E. Williamson, 49, of 2001 Illinois Ave., died at 1 p.m. Thursday at St. Elizabeth Hospital where he had been taken five hours earlier.

Born in Miller City, Ill., he resided in Edwardsville prior to moving to Granite City 10 years ago.

Mr. Williamson was employed 22 years as a hodcarrier through Laborers Local 179, Edwardsville.

Survivors include one son, James Williamson of Alton; two daughters, Mrs. Orville (Brenda) Thatcher of East St. Louis and Mrs. Janice Killett of Lebanon; one brother, Harris Williamson of Benld, Ill.; two sisters, Mrs. Paul (Clara) White of Denver, Colo. and Mrs. Charles (Violet) Oachs of Canon City, Colo. and eight grandchildren.

Funeral services were held Saturday. Details are given in the obituary column.

JEWELRY BOX STOLEN

A jewelry box was stolen from the bedroom at the home of Elizabeth Morrison, 1642 E. 23rd St., Apt. 5, it was reported at 3:30 p.m. Friday. The apartment door had previously been removed, allowing entry without breaking into the room. The box contained three heirlooms and costume jewelry.

Lewis joins parole board

Gov. Dan Walker on Friday named James Lewis of East St. Louis to the Illinois Parole and Pardon Board.

Lewis, 32, has been a staff member of the East St. Louis Model City Agency on loan from the Illinois Department of Public Aid since January 1972. His duties there have been as a social service coordinator and criminal justice planner.

He and his wife, Beverly, have four children.

With Lewis' appointment there are now three black persons (including Lewis), a Spanish-speaking person and one woman on the 10-member Parole and Pardon Board.

Instructors are rated by SIUE students

A student evaluation of courses and instructors at Southern Illinois University at Edwardsville compiled by the Student Senate over the past two years has been completed. The evaluation has been published and copies are now available in the student government office, Room 1085 of the University Center.

The teacher-course evaluation publication contains over 40 pages of data on courses and instructors.

Each entry shows the course number, instructor, number of questionnaires returned from students, and the number of students from each class (freshman sophomore, etc.) who responded.

For each course and instructor the following ratings were used: Uns—unsatisfactory; L.T.A.—less than adequate; Gd—good; and, Excl—Excellent.

Questions on the questionnaires handed out to students were on organization of course content, the opportunity to respond in class, the instructor's rapport with students, the instructor's grading system, the degree of intellectual stimulation, and the instructor's presentation of course material.

Cluck Mccum, student body president, said the evaluation project does not include nearly all of the courses or instructors. It is to be used by students as supplement to personal efforts at evaluation.

Because of the short time span between final approval of funds and the hiring of students to administer the evaluation in the classrooms, not enough students were hired for that purpose, and only 17 per cent of all class sections were evaluated. Also, many of the questionnaires were marked in ink and could not be processed by computer.

James Bernaix dies at home

James E. Bernaix, 64, of Box 37, Theodosia, Mo., a former Granite City resident, died at 7 p.m. Friday at home.

Mr. Bernaix was born in Chester, Ill., and resided here most of his life before moving to Missouri two years ago. He was employed as a press operator at the Castings Division of General Steel Industries here 38 years.

Surviving are his widow, Mrs. Irma Bernaix; a daughter, Miss Doris Bernaix of Granite City; five sons, James, Donald and Leonard Bernaix, all of Granite

City; Walter Bernaix of Marion, Ind.; and Carl Bernaix, residing in the state of Washington; two brothers, Charles Bernaix of Staunton and Kendall Bernaix of Granite City; four sisters, Mrs. Merle Browning of Staunton, Mrs. Olga Bogard and Mrs. Olive Ruckey of Edwardsville and Mrs. Marie Gonzales of Collinsville; 29 grandchildren and four great-grandchildren.

Funeral arrangements are given in today's obituary column.

Optimists revise programs

Reorganization of its activity schedule with exterior and interior programs handled under separate leadership was discussed by members of the Granite City Optimist Club during a regular meeting at noon Thursday in the YMCA.

Most of Thursday's meeting was spent in discussion of membership recruitment plans and an evaluation of club ac-

tivities. A realignment of club activities and projects for which committees are to be appointed under separate leadership was discussed by members of the Granite City Optimist Club during a regular meeting at noon Thursday in the YMCA.

Fox announced a board meeting will be held Thursday at 8 p.m. at St. Elizabeth Hospital to review suggestions made by the members.

Ax announced that District Gov. Robert F. James of Aurora, Ill., will be the club speaker on Thursday, Nov. 28.

Joseph Garlik, 89, dies

Joseph Garlik, 89, of 2405 Washington Ave., died at 5:40 a.m. Saturday at St. Elizabeth Hospital. He had been ill one year and at the hospital one day.

Mr. Garlik was born in Poland and resided here 32 years. He was employed by Granite City Steel Co. 15 years and then as a civilian worker four years for the Granite City Army Depot before retiring.

He was a member of Polish National Catholic Church in Madison and of the Polish National Union. His wife, Mrs. Agnes Zmuda Garlik, preceded him in death on June 8, 1973.

Surviving are a daughter, Mrs. James M. (Helen) Lipchik of Granite City; two sons, Louis R. Garlik of Cedar Hill, Mo., and Walter Garlik of Ferguson, Mo.; six grandchildren and 11 great-grandchildren.

Funeral arrangements are given in the obituary column.

Contract let for road work

A contract to repair Chouteau Slough Road in Venice township, washed out in two locations by flood waters last June, was awarded by the Venice-Town Board last week to Kamadulski Excavating Co. of Granite City on a low bid of \$41,495.

Town board members also approved plans to advance \$45,000 in township revenue sharing funds to the township

highway department to do the work. The money is to be repaid when the highway department receives its government allocation of flood disaster funds.

The Granite City firm's bid was the lowest of four received by the township highway department. The other three bids ranged from \$65,285 to \$98,989.

Services held
Funeral services were held at a Bellevue funeral home for Mrs. Emma Agnes Ramelet, 68, of East St. Louis, sister of Mrs. Walter (Kathryn) Pinke of Granite City. Mrs. Ramelet died last week in Christian Welfare Hospital, East St. Louis.

Urge no Charge 2 with theft

Free tuition to state universities in Illinois will be proposed today to a committee of the Illinois University Board of Trustees committee said Saturday.

The 18th committee headed by John Stalnaker is to meet today in Urbana to study the tuition question. Last month, SIU board made a five-person committee to make recommendations to the Stalnaker Committee. The report of the SIU committee was issued Friday by William W. Allen, Bloomington, committee chairman.

The SIU committee will ask the Stalnaker Committee to "attempt to examine the question whether or not the State of Illinois really believes that higher education is a right and not a privilege, and should attempt to develop a tuition policy that would support that position in a manner which makes higher education available to all citizens of the state on an equal basis as far as possible."

Four other persons present when the injuries occurred reported Walker was struck on the head with a dish and Gregory was slashed with a pocket knife. Venice police are investigating.

Both men were taken by ambulance to St. Elizabeth Hospital where Gregory was taken into surgery and admitted in poor condition. He improved to satisfactory condition during the weekend.

Walker, who suffered minor cuts to his head, was admitted observation.

Both public and private colleges will be represented at the interviews. Among the colleges to be represented are the University of Illinois, SIUE, SIUC, Eastern Illinois University, Illinois State University, Bellevue Area and Lewis-Clark Community (junior) colleges, McKendree College, Wilcox College and Westminster College. Specialized schools in this region also will be represented.

BURGLARY IN MADISON
Henry Ledbetter, 1317 rear Madison Ave., reported at 2:30 p.m. Thursday that a window at his home had been opened and clothing, jewelry, canned goods, pots and pans, a television and a fan had been stolen.

STEAL CAR FROM LOT
A 1973 auto on the J & M Motors Co. lot, 3210 Nameoki Road, was stolen after a chain around the lot was cut, it was reported Thursday.

Charge 2 with theft

Carl E. Williams, 28, and Leonard L. Stewart, 25, both of St. Louis, were charged with theft after a 500-foot spool of copper wire was stolen from R. Dron Electric, 1818 Cleveland Blvd., at 2:10 p.m. Friday. Witnesses said two men got out of a car in the alley behind the Dron company building, entered the open garage door, took the wire and placed it in the rear of the car and drove from the scene.

A description of the car was radioed to the Venice Police Department who stopped a car at McKinley Bridge. Williams and Stewart were arrested there. The wire was recovered in the car.

Williams and Stewart were released on \$110-bond each.

1 man knifed, another hurt

Two men were admitted to St. Elizabeth Hospital after an incident at 1216 Market St., Venice, at 11:15 p.m. Friday. Venice police were called and upon arrival found Sherman Walker, 62, of 1216 Market St., bleeding from the head and Darnell Gregory, 25, of 1212 rear Calhoun St., Venice lying on the living room floor with a severe cut to the left side of his stomach.

Both men were taken by ambulance to St. Elizabeth Hospital where Gregory was taken into surgery and admitted in poor condition. He improved to satisfactory condition during the weekend.

Walker, who suffered minor cuts to his head, was admitted observation.

Both public and private colleges will be represented at the interviews. Among the colleges to be represented are the University of Illinois, SIUE, SIUC, Eastern Illinois University, Illinois State University, Bellevue Area and Lewis-Clark Community (junior) colleges, McKendree College, Wilcox College and Westminster College. Specialized schools in this region also will be represented.

Meet on legal rights of women
Legal rights of women in Illinois will be the topic at Thursday's meeting of the Women's Club of SIUE. The group will meet at 1 p.m. in the River Rooms of the University Center. Guests are welcome.

Speakers will be attorneys Joe Hill and Philip Weber, both graduates of the St. Louis U. Law School. Hill is a member of the law firm of Calvo, Mateka & Hill in Granite City. Weber is in the public defender's office.

Mrs. James Harrison of Edwardsville will preside. Hostesses include Mrs. Robert Hooke, Mrs. Roy Steinbrook and Mrs. William Weir, all of Edwardsville.

Youth, 18, charged
Randy Ratter, 18, of 1212 rear Calhoun St., Venice, was charged with burglary after a wholesale liquor distributing company truck was looted in Robinson about 11:15 a.m. Thursday.

Marion Capone, driver of the truck, said he was making a delivery in the 300 block of West Third Street, Madison, when several cases of liquor were stolen.

Madison and Venice police found a youth hiding under a home in the 900 block of Webster St., Madison, and later found some of the stolen liquor in the back yard of a home in the 900 block of Jackson St., Madison. Some of the liquor was not recovered.

In Germany
Army Private First Class William A. Lewis, 30, son of Mr. and Mrs. Paul E. Lewis, 2628 Sheridan Ave., was awarded a safe driving certificate while serving with the 85th Maintenance Battalion in Germany.

Pfc. Lewis received the award for driving military vehicles 5,000 miles with no accidents or traffic violations. Pfc. Lewis is a member of the battalion's 26th Supply and Service Company.

Find stolen tools
J. R. Conrad, 65, of East St. Louis, reported Thursday that two tool boxes and a power drill were stolen from the rear of his panel truck while it was parked behind the Venice Garden Apartments, 125 Weaver St., Venice.

The tools were recovered in the back yard of a home in the 900 block of Jackson St., Madison, by Madison and Venice police. A youth held behind the Venice Garden Apartments, 125 Weaver St., Venice.

2 hurt in crash
Two persons were injured when the autos of Douglas Schreiber, 2300 Delmar Ave., and Richard G. Brown, 2851 Grand Ave., collided on Johnson Road in front of McDonald's Restaurant.

Schreiber's auto was pushed into the McDonald's driveway and struck a cornerstone. The injured were passengers in his car. They were Judy Sienler, 16, of 2429 Madison Ave., and Donald Kayser, 17, of Rural Route One, Box 1351, Granite City. Both received minor injuries.

Arrest 2 in Venice

Jerome Kirkland, 18, of 1104 Douglas St., Venice, and a 13-year-old Venice boy were charged with theft after a cardboard box of meat was removed from a Hunter Meat Co. truck while the driver was making a delivery in the 1000 block of Logan Street, Venice, at 10:20 a.m. Friday.

An off-duty Venice policeman witnessed the incident and made the arrests. Kirkland was taken to the Madison County jail under \$4,000 bond.

'Paula' to talk
Paula Grossman of New York City (formerly Paul Grossman) will speak at Southern Illinois University at Edwardsville at 1:30 p.m. Tuesday in the Meridian Ballroom of the University Center.

She was surgically converted from a man to a woman when she was over 50 years old. Until her operation, she had been a school teacher in New York City for 31 years, but was dismissed from her teaching career after the operation.

She lives with her family in New York and lectures throughout the country on the subject of freedom of sexual expression. Ticket prices for the speech will be 75 cents for non-students and 50 cents for students.

Tickets may be purchased in advance at the ticket office in the University Center. Her visit is being sponsored by the SIUE University Center Board.

Prison for legislator
William D. Cox, 60, Charleston, a state legislator since 1966, was sentenced by Judge Harrington Wood Thursday in Federal District Court at Springfield to 15 months in prison on his plea of guilty to making a false personal income tax return for 1971.

He also was sentenced to two years probation to begin after release from prison. This sentence was on his guilty plea to conspiring to commit mail fraud.

Cox was ordered to make restitution to Illinois in the amount of \$15,600 and to enter into a good faith effort to settle his tax liabilities with the Internal Revenue Service. He resigned earlier Thursday from the Illinois House.

Highway call boxes here proving helpful

Little aluminum boxes have been in use here for about two months now, and reports indicate they are, indeed, in use. The little boxes are more commonly known as "Motorists Aid Call Boxes," and they're located, in pairs, along a 40-mile portion of Interstate 270 (from the Mississippi River to Route 143) and Interstate 55/70 (from Illinois 111 to the Interstate 270 exchange).

The designated aluminum boxes were installed to aid the stranded motorist. Equipped with four buttons labelled Police, Ambulance, Auto Service, and Cancel, when pushed they relay messages to a receiver console in district headquarters dispatcher. The headquarters dispatcher, in turn, sends the message to the appropriate unit.

"In our first month of operation, 605 calls were made on the system," explains Lawrence Gregg, plans and contracts engineer in the Illinois Department of Transportation. "Of this number, the largest amount of requests were for auto service."

Most requests for service have been under the category of

mechanical malfunction, with a need for gasoline and tire repair coming in second and third. These service calls are handled by one of the DOT's emergency vehicles.

"If our emergency vehicles can't handle a call, we'll radio for help from a service station or take the motorist to a station," Gregg said. "We'll move a vehicle off the roadway."

The second highest number of calls received was for police assistance. Some of these were coupled with a request for auto service.

Less than two per cent of the total calls were for emergencies," said Gregg.

In all, only four calls involved accidents and in 15 per cent of all calls the motorist was gone when help arrived. We have no way of knowing if he got help from someone else or just pushed a button for curiosity's sake.

The bulk of calls, 50 per cent, occurred during the afternoon and early evening when traffic is the heaviest in this area. However, 125 calls—or roughly 20 per cent—were received during the 10 p.m. to 6 a.m. time period.

"We don't see any major problems right now," Gregg reflected. "It's pretty early in the game to come to any conclusions. We'll wait a few more months to analyze the system to see if any changes need to be made."

Plans for Christmas parties to be held separately for children and for adult members, were announced during a meeting of Amvet Post 204 at Madison Thursday night.

Commander Tom Voloski announced the children's party will be held at 2 p.m. Dec. 22 at the Polish Hall, followed at 7 p.m. the same day by a party for post members. The evening program will include dinner, followed by dancing. Post members will be permitted to bring one couple as guests. Advance registrations were urged.

Plans also were announced for a free fry fry for members at the post home, 1242 Iowa St., on Nov. 23, and a lamb barbecue on Dec. 9 at the post home. Voloski will be chairman of the barbecue arrangements.

Three new members were introduced during the meeting. They are Gene Gunderson, George Pellett and John Besserman.

AUTUMN BRIDE. Mrs. Robert Fleming, the former Miss Mary Catherine Scaturro, a daughter of Mr. and Mrs. Bernard J. Scaturro, 4210 Maryville Road, who was married at St. Joseph Roman Catholic Church Saturday afternoon, (Markly Studio)

Mary Catherine Scaturro Robert Fleming are wed

Nuptial vows were exchanged by Miss Mary Catherine Scaturro and Robert Fleming at 2 o'clock Saturday afternoon at St. Joseph Roman Catholic Church before an altar adorned with bouquets of white flowers interspersed with greenery and trailing English ivy.

The Rev. Henry Mack officiated at the double ring ceremony in a candlelight setting. Burning tapers were held in aisle candelabra, festooned with white satin bows.

Wedding selections played during the service were "A Time For Us" and "The Lord's Prayer."

Parents of the bride are Mr. and Mrs. Bernard J. Scaturro, 4210 Maryville Road. The groom's parents, Mr. and Mrs. Thomas Rich, reside at 1361 Edwardville Road.

Escorted down the white carpeted aisle and given in marriage by her father, the bride wore a floor length gown fashioned of ivory satin fabric lavishly appliqued with Alencon lace. Long tapered sleeves featured a wide decorative lace trim above the wrists, terminating in a tiny pleated ruffle to form the cuffs.

Her gown was designed with an Empire waistline in the front, curving slightly at the back into a natural style. Alencon lace motifs accented the softly gathered skirt that extended into a cathedral length train.

She wore a Juliet cap of Alencon lace etched with tiny seed pearls to secure her fingertip veil edged with a delicate row of matching lace. She carried a bouquet of white Sweetheart roses arranged with white pom poms and baby breath.

Miss Theresa Scaturro, a sister of the bride, was maid of honor and Mrs. Charlotte Gregory and Mrs. Sharon Laird, also sisters of the bride, and Mrs. Pamela Rutledge served as bridesmaids.

They chose identical gowns created in raintons colored with orchid, Nile, aqua and pink.

The groom's mother, Mrs. Rich, was attired in an aqua polyester gown, full length, made with a high collar and front fitted sleeves ending in a ruffled cuff. Tiny rhinestones on the bodice enhanced the Empire bodice.

The groom chose Terry Rigby as his best man. Russell Fleming and Gary Rich, brothers of the groom, Joseph Phillips, David Stopkotte, Walter Marsh, a cousin of the groom, Mark Scaturro, the bride's brother, and Charles Morris, a cousin of the bride, completed the corps of groomsmen and ushers.

A reception was held at the Croatian Hall in Madison following the ceremony. The rehearsal dinner was given in the home of the bride's parents.

After a wedding trip to the Ozarks, the couple will reside in Granite City. Both young people are graduates of Granite City High School.

Mrs. Scaturro chose for her daughter's wedding a powder blue formal length gown of polyester, in a semi A-line silhouette. The frock was created with a high collar, wide set-in waistband, accented with rhinestones, and chiffon cafton style sleeves.

THE SCHERMER BULLETIN

Things are getting back to normal. Today we are running a 69¢ Chuck Roast and we can't remember the last time we had this low price. These chucks are out of the same good lean beef that we normally handle and have very little fat, so now is the time; the weather should be just right for an old fashioned pot roast.

Our butter deal was very well received last week and we hope to run one again before the holiday. The Pork Roasts at 69¢ that we ran in last Monday's ad brought a lot of sausage makers out. We're sorry, but pork supplies are still somewhat tight and we just could not handle the requests for 50 and 100 lb. orders. We'll keep this in mind for future reference also.

Here's a shocker!!! ONLY 15 MORE SHOPPING DAYS UNTIL THANKSGIVING. That's why we're running a Hen Turkey in today's ad. Over the years we have found out that many of our customers like to buy their "bird" early.

We STILL HAVE A GOOD SUPPLY OF ANTI-FREEZE. If you haven't checked your car, now is the time. We hear that Prestone is very scarce. Schermers have it.

Emerson parents to visit school

Parents of Emerson Grade School pupils are being invited to tour classrooms and observe the "Newspaper in the Classroom" program starting Wednesday, Mrs. Jeanette Kienle, Emerson PTA president, has announced. The visitations will continue each school day through Dec. 12.

Visitors may attend class sessions between the hours of 9 and 11:15 a.m. and from 12:30 to 2:30 p.m. The techniques of teaching by utilizing newspapers in the curriculum was initiated on a schoolwide basis last year, Mrs. Kienle reported.

Coffee will be served to the visiting parents who may discuss the new concept in teaching with assigned faculty members, she said.

Halloween party for pupils

Special Education pupils in Region 1 classes, including those in Granite City, Madison and Venice school districts, were entertained last week at a Halloween party by the Women's Missionary Council of City Temple.

The affair was held at the church, 1917 State St., where the youngsters were amused with magical acts performed by John Apperson, a Granite City Magician. Games were played and prizes were awarded.

Gifts for the party were donated by the City Temple Men's Fellowship. Refreshments and other treats were contributed by Busy Bee Bakery, Suburban Beverage Co., Downtown Reese Drugs and Viviane's Toy Boy Market. The Parents for Special Education group will meet Thursday at the Special Education Building, 2000 Madison Ave., it was announced.

Members are being urged to collect Top Value stamps or

other types of bonus stamps and deliver them to officers at the meeting. The stamps will be used to acquire classroom equipment, a spokesman said.

FORMER GC RESIDENTS RETURN FROM EUROPE

Former Granite City residents, Mr. and Mrs. Arthur Jones of Rural Route One, Box 10, Camdenton, Mo., have returned from an extensive European tour, visiting London, Amsterdam, Cologne, Heidelberg, Lake Lucerne, Switzerland, Venice, Florence, Rome, Nice and Paris.

The couple earlier attended the National Paper trade show in New York City, where Jones was feted at a dinner party. He was presented with a 25-year pin and a three-week all expense paid vacation in Europe. Mr. and Mrs. Jones traveled by 747 jet during most of their journey.

MRS. DWAYNE F. LUSSIANA, who was married in an evening ceremony at Niedringhaus United Methodist Church. She is the former Miss Cynthia Gail Baugh, a daughter of the Rev. and Mrs. Roy Baugh, 3204 Harvard Place.

Cynthia Gail Baugh weds Dwayne Frank Lussiana

Miss Cynthia Gail Baugh, a daughter of the Rev. and Mrs. Roy L. Baugh, 3204 Harvard Place, and Dwayne Frank Lussiana, son of Mr. and Mrs. Frank Lussiana, 2916 Fortune Drive, were united in marriage Oct. 20 in an evening ceremony at Niedringhaus United Methodist Church.

The church decorations, designed and created by the bride's mother, featured three hanging baskets under the bell tower filled with dried flowers in natural shades.

Burning tapers in aisle standards were trimmed with gold velvet bows and autumn dried flowers, and the communion table was centered with magnolia leaves and pyracantha.

Officiating at the double ring ceremony at 7 p.m. was the bride's father, the Rev. Baugh, pastor, and her grandfather, the Rev. Leroy Lyell of Centralia, Ill.

Nuptial music was furnished by Lawrence Berry, organist, Louise Scott, violinist and the church choir, directed by Paul Mabry. Selections included "Sabbath Prayer" and "Jesu, Joy of Man's Desiring." Mr. Mabry also sang "Whither Thou Goest."

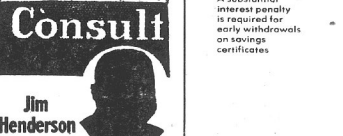

Prior to the arrival of the wedding party, Gloria-Skubish gave a reading from an ancient Apache Ceremony.

Given in marriage by her father, the bride wore a floor length ivory maracaine jersey gown, featuring a rolled slashed neckline and shirred Empire bodice, accented with tiny rows of seed pearls above the soft A-line skirt.

The attached chapel length train fell gently into a full sweep. A draped maracaine jersey turban secured her full length veil of silk illusion and she held a bouquet of rust and gold dried 'mums with baby breath, green velvet leaves and ribbons.

Matron of honor Mrs. Steven Suess and bridesmaids Miss Carol Farmer, Miss Paula Mathis, Miss Denise Lussiana, a sister of the groom, and Miss Amanda Baugh, the bride's sister, were gowned alike in formal length dresses of hunter green satin.

Their frocks were fashioned

Joint Halloween party

Cub Pack 108 sponsored by Lake School PTA, held its Halloween pack meeting jointly last week at Lake School with newly organized Pack 121, sponsored by Wilson School PTA.

The meeting opened with a candle reading by Richard Foote Jr., life scout from Troop 90, sponsored by the United Methodist Church, Madison. The pledge of allegiance was led by Dennis Grimm and Kevin Anderson, both from Pack 108.

The audience was welcomed by Richard Foote Sr., committee chairman for Packs 108 and 121. He introduced the committee members and guests.

Robert Nunn and Gene Mullen of the Granite City Fire Department gave a fire prevention demonstration and presented fire safety literature to the children. They were presented with an appreciation certificate by Foote for their services.

During a candlelight ceremony, Bobcat pins were presented by Foote and Rick

Lucido, cubmaster for Pack 108, and Mrs. Lona Summers, den leader for Pack 121, to Craig Curtis, Kerry Flinn, Paul Williams, John Paschedag and Ricky Wolf of Pack 121 and Bradley Hubbard, Jimmy Smith, Clarence Peach and Thomas and John Chancellor of Pack 108.

Denner cards were presented to Kevin Anderson, Pack 108, and Kerry Flinn, Pack 121, while assistant denner cards went to Craig York and Paul Williams.

A skit entitled "The Legend of the Plaza Bird" was performed by Cubs Norman Kinder, Ronnie Harlin, Kevin Anderson, Craig York, Dennis Grimm, Richard Dermott, Jerry Phillips, Bradley Hubbard, Jimmy Smith, John and Tom Chancellor and Clarence Peach.

The skit was directed by Mrs. Norman Kinder, den leader, and Rick Lucido of Pack 108. Wilcox Curtis, Craig Curtis, Kerry Flinn, Paul Williams, John Paschedag and Ricky Wolf performed an Indian dance under the leadership of Mrs. Betty Ramey and Mrs. Summer, den leaders.

Mrs. Pat Foote, den leader coach for Packs 108 and 121, gave instructions for a "tissue paper dressing contest" to Cubs Ronnie Harlin, Craig Curtis, Norman Kinder III and Ricky Wolf, who dressed Norman Kinder Jr. and Bill Curtis. The winners, Norman Kinder III, Norman Kinder Jr. and Ronnie Harlin, were determined by audience applause and received pumpkin candy.

A "peanut race" was held by the Cubs, with John Chancellor winning a pumpkin prize. All in costumes participated in the grand march, with 1st, 2nd and 3rd prizes going to Ronnie Harlin, Gary Dover and Bradley Hubbard, respectively, and to Judy Smith, Kim Wolf

and Linda Dew. The prizes consisted of large and small pumpkins filled with candy.

Judges for the event were Mrs. Dorothy Lijewski, Blaze Magyar, Larry Dew and Mark Yehling.

Yehling, district scout executive, presented Pack 108 with the Summertime Pack Award for holding events during the summer months and having at least half the group in attendance.

Yehling cited the importance of scouting being a family affair, requiring teamwork to progress.

It was announced by Foote that the next meeting will be a Christmas party, with a visit by Santa on Dec. 4 at Wilson School and Pack 121 acting as host. Special guest speaker will be State Senator Sam Vadalabene, who will present the children with an Illinois flag.

The meeting, followed by a "living circle" and the Cub Scout Prayer, closed with a candle reading by Richard Foote Jr.

Refreshments were served by the mothers of Pack 108. Chuck Summer presided over the guest book.

MEETING RESCHEDULED

THE GCHS-North Band Parents meeting, scheduled tomorrow at 7:30 p.m., has been rescheduled for Tuesday, Nov. 13, at the school library at the same time.

IDENTIFIED FLYING OBJECT

Nov. 5, 1973

Death penalty issue remains controversial; new action by Illinois government may be a step toward an eventual answer for the nation

Gov. Walker's decision to sign a revised Illinois death penalty bill still leaves this state a long way from actually returning to capital punishment.

Whether federal courts will take a less negative stand than in the past remains to be seen. And jurors may be more reluctant to vote convictions leading to execution, now that there has been a national absence of the death penalty for several years.

The amended Illinois legislation calls for the maximum sentence for conviction of multiple murders; murder resulting from robbery, rape, arson, kidnapping, child molestation, air piracy or a hired killing; and murder of an on-duty policeman, fireman or prison employee.

A three-judge panel is to waive the death sentence in such instances if it finds "compelling reasons for mercy."

The 40-2 and 128-27 House and Senate votes reflect strong public concern for high incidence of crime and the related threat to life and property. In too many cities, fear is a constant companion for many people and entire neighborhoods.

Countering this sentiment, at least to a degree, is the growing contention that execution is not actually much of a deterrent to savage crimes.

There also is widespread feeling that those executed, or those aware they are to be executed, are subject to constitutionally-banned "cruel and inhuman punishment."

The issue is complex, and Illinois thinking alone may not be permitted to prevail.

The action which is being taken in this state is a step toward an eventual answer, and the built-in provision for mercy could loom large in attracting public and judicial support.

ADMIRE PROGRESS AT LEWIS AND CLARK TO THE EDITOR:

Now that everyone in the Quad-City area has taken a condemning stand at Lewis and Clark Community College, I would like to make a few constructive comments about that school.

In my opinion it would be in the considerable best interest of the Quad-City area to align with the Lewis and Clark District rather than that of Belleville Area College.

First of all is sheer convenience, in that even during rush hour, Lewis and Clark is not more than a thirty minute drive from Granite City, while access to Belleville can often be extended some fifteen minutes and quite often longer.

The roads to Belleville are terrible and the traffic intolerable, while the drive to Granite City is relaxing by comparison.

Likewise, Lewis and Clark resides within Madison County, not St. Clair.

Do we not owe it to ourselves to help maintain our own country's fiscal solvency, rather than to support a community non-related to our own vested immediate interests?

In the matter of academics, we should realize that Lewis and Clark has been in existence only some three years. Yet already it has established credible and sound dental, law enforcement, business and vocational education programs.

In the other spectrum of education, Lewis and Clark is steadily expanding its

curriculum in broader areas of mathematics, sciences, the humanities and special education.

I attend Lewis and Clark, and I think it is a fine school, as do numerous other Quad-City residents who have elected to go there.

I personally have absolutely no interest in Belleville College, and if coerced to go there, I would remove myself and my highly taxable income from Granite City, even though I am a lifelong resident of this town. This is how strongly wrong it is to eliminate the element of choice from those of us who are making an attempt at self-improvement.

DUNKING AGE CHANGE
PRAISED BY GC GIRL

To the Editor:
In response to the letter from W. H. in Monday's issue of the paper, I would like to say that as a 19-year-old female, I am very happy about the lowering of the drinking age.

I do think it's a "big deal," but not because drinking makes me "appear to be grown up." Obviously, our legislators—people elected by 21-year-old or older voters—feel that there are a vast majority of 18 and 19-year-old adults who can handle the responsibility of drinking and voting.

Just what new problems are created by the lowering of the drinking age that society did not already have?

W. H. should remember back to the 18th amendment which forbade the manufacture and sale of alcohol.

This act was in force for 13 years, from 1920 to its repeal in 1933. This prohibition did not work.

The alcohol supply was cut down during the first two or three years, but later on anyone could get all they wanted.

The liquor industry became big business, only this time unregulated and lawless. This led to nationwide disrespect for law and order. This happened during the time of my grandparents, which goes to show that society had alcohol problems way before now.

The National Council on Alcoholism reveals that there are no alcoholics less than 15 years of age and almost none under 20 years of age.

The great mass of alcoholics are between the ages of 20 and 35, 65 per cent of all cases in the U.S. are male.

Therefore, I feel that it is unfair to imply that 19-year-olds are "playing adult." If this is the case, what kind of game were the grandparents and—or great-grandparents of these 19-year-old adults playing?

I believe that all society can do is to educate the public on the facts of alcoholism, just as in drug abuse and cigarette smoking.

After being informed, it's up to an individual to abuse, be temperate, or to totally abstain.

It is an individual decision. So, therefore, the blame should not be on the shoulders of a small minority or a certain age group.

Courtroom news restrictions, federal pressure threaten all freedoms

A Louisiana federal judge in 1971 opened a hearing in a murder case by announcing that none of the testimony was to be reported in newspapers or over radio and television.

When two Baton Rouge reporters defied his order, they were cited for contempt of court. This led to a test of judicial power over press freedom which has been moving through the appeals process for two years.

The U.S. Supreme Court unfortunately has declined to review the contempt action, which had been upheld by the 5th U.S. Circuit Court of Appeals. This and other federal and state court orders have created a trend which could erode the principle that a fair trial is one conducted in open court.

The appeals court observed that the judge's ruling was "constitutionally infirm" but held that the reporters should have challenged it with a legal proceeding

of their own. This seems unusual because there has been such a long tradition of reporting events taking place in public courtrooms.

The main hope now is that the U.S. Supreme Court eventually will find it appropriate to clarify the obvious constitutional "infirmity" of judicial gag orders.

Although it is not related, the whole subject takes on added interest when viewing it alongside U.S. Supreme Court disclosure of a 1969 White House staff memorandum calling for accelerated pressure on news media through the Federal Communications Commission, the Internal Revenue Service and the Justice Department's anti-trust staff.

A free system cannot prevail without free dialogue and relatively free access to information. The statement is not new, but it apparently needs to be repeated, along with the point that the price of freedom is eternal vigilance.

New tax achieves a measure of equality between houses, mobile homes

Current registration of Quad-City mobile home owners for tax purposes has its positive aspects, although few who of those affected by any new tax would consider it a joyous occasion.

The privilege tax on mobile homes is intended to place them somewhat on a par with residences subject to real estate taxes.

It has long been a sore point among citizens and public officials alike that a large number of families paid no such tax even though all are provided with school and municipal

services. Establishment of the mobile home privilege tax places everyone on a similar basis—enjoying the benefits and sharing the costs of the diverse programs maintained for them by local-level government agencies.

Those registering with Quad-City assessors this week and next week at least will be glad to know that residents 65 or older with income of less than \$4,000 yearly will be eligible for a privilege tax exemption of about 20 per cent.

Able search committee chosen to recommend Education Board members

Gov. Daniel Walker appears to have chosen an able group of persons for a search committee which will suggest candidates for appointment to the new State Board of Education. Those picked have much knowledge and experience in the education field.

The committee will propose 50 names to the governor, who will select 17 of the nominees to serve on the board.

It is important that capable

people be placed on the board so that it can do an effective job of coordinating elementary and secondary education. The role it will fill will somewhat replace the functions of the state superintendent, which will become an appointive rather than an elective position.

As previously commented here, inauguration of former State Rep. George T. Wilkins Sr. of Granite City among the 50 and the 17 would add materially in achieving a board of high quality.

Sweep by Truman, Democrats

NOVEMBER 5, 1948
Harry S. Truman, elected as President, led the way as Democratic candidates made a clean sweep of Madison County in the general election, except for the office of state

representative where a minority party candidate's election is mandatory under the law. Elected as new governor was Adlai Stevenson and the new U. S. Senator is Paul H. Douglas.

Sen. Percy thinks revenue sharing may reverse flow of power to Washington

claims, local officials definitely want revenue sharing to continue.

The survey found that, on the average, revenue sharing funds contribute 9.62 per cent of the total budget of the responding governments, although revenue receipts of individual local governments varied widely around this mean.

Sen. Percy said, "With regard to the uses of revenue sharing funds, one survey indicated that 34 per cent of the municipalities spent part of their funds on recurring expenses, while 57 per cent spent their funds on non-recurring expenses such as capital outlays and debt retirement."

Only 9 per cent spent their funds to replace "own source" revenue so as to cut local taxes. Twenty-five other governments reported that, without revenue sharing funds, they would have had to raise local taxes.

Percy's survey was directed to all levels of local government in Illinois.

Governments were asked to indicate how they are spending revenue sharing money, whether they believe the program is effective and in what ways the program might be improved. A total of 309 communities responded to Percy's questionnaire.

Percy said 96 per cent of the governments declared that the general revenue sharing program has been helpful to them and supported its continuation.

"This indicates to me," Percy said, "that, contrary to some

imposes a five-year limit on the program, after which it can only be renewed by an act of Congress.

Percy also reported he had discussed the problems of revenue sharing with the Illinois mayors who comprise the Executive Committee of the Illinois Municipal League.

"Aside from concern about the continuation of federal revenue sharing, city officials complain about administrative problems. They see no reason for planning, forms, penalties and deadlines."

"They feel the federal government should only give money received by the municipality and the manner in which it is spent. They warn against additional red tape."

Percy added, however, that "the survey has proven to my satisfaction that federal revenue sharing is proving extremely valuable to local governments. Revenue sharing is a sound concept that has the potential of reversing the flow of power from America's states, cities and towns to Washington."

"This is a healthy potential that must be developed more fully, and I consider that development a top priority piece of Senate business."

Japanese investment sought for this area

Report by East St. Louis Mayor James E. Williams on the St. Louis trade mission to Japan, made by Missourians and Illinoisans in late October and early November:

The purpose of this mission is to increase exports of St. Louis-area products to Japan to induce investment of Japanese capital in the St. Louis region, including Illinois.

My trip has been both educational and economically beneficial for our area.

First, we find the Japanese people to be highly intelligent, intensively aggressive and competitive in a wide range of business activities, and disarmingly courteous. Things are of modern architecture, luxurious and efficiently managed.

Men and women operate complicated machinery and office equipment with dexterity. Friendliness abounds in hotels, businesses and even taxicabs. Everywhere, people work diligently with 100 per cent effort, whether they be executives or street sweepers. Success to the Japanese people is both noteworthy and exemplary, because only a few years ago these people were benighted by the United States.

The Japanese effort is inspirational to me for I find East St. Louis presents a similar challenge for us as a people and I am confident we shall be just as successful as the Japanese.

I participated in diplomatic and business seeking tasks. Mayor Poelker, Supervisor Root, others of the St. Louis delegation and I have visited with the governor of Tokyo—a city of 12 million people, held a news conference with 15 correspondents and received approximately 300 business guests at the American Tokyo Club.

We were also received by the American ambassador to Japan, the Hon. Walter Ingram. I worked as a team member visiting nine Japanese manufacturing concerns covering such areas as heavy equipment, steel, manufacturing equipment and testing machines. These businesses maintain corporations with many subsidiaries including banks.

Our 101-member delegation includes people from 20 vocations and interests including bankers, manufacturers, exporters, industrial engineers, real estate developers, planners and attorneys.

These people are working to bring business and industry to

the St. Louis region and I share this view wholeheartedly.

Each day about eight to 12 teams of about four to five persons each visit Japanese business and industry leaders to discuss the advantages for expanding their enterprises in the St. Louis region.

Our assets include: air, river, rail and highway transportation facilities; low-cost electricity; reasonably priced and available land; and an abundance of labor.

The Japanese have received us well, and have shown great interest.

But they are scrupulous and analytical, and request many statistics including labor and building costs, land values, markets, etc. Our teams are well organized, knowledgeable, efficiently representatives of the St. Louis region—east and west.

The St. Louis area has expressed interest in follow-up to these exciting visits, and thus our mission is proving successful. In many instances, the Japanese know little of St. Louis except the St. Louis baseball team, but our presentations are definitely establishing our region as outstanding in business and industry potential.

St. Louis is not alone in seeking Japanese investment in the United States.

So far this year, 36 American trade missions have visited Japan; the number of such missions is proving successful.

Intricate cases handled by late Judge Monroe

(Following is the text of a Madison County Bar Association resolution adopted in conjunction with a public memorial program held last week honoring the late Circuit Judge James O. Monroe Jr.)

The Bar group has started a memorial fund for deserving law students, set up in his memory.

The Honorable James O. Monroe Jr., of the Third Judicial Circuit, Madison County, was born Sept. 16, 1917, at Collinsville and lost his life in an automobile crash on June 7, 1973.

He attended the University of Illinois and received the L. L. B. degree in 1942 from its College of Law.

His first legal position came in 1942 and was on the staff of the U. S. Department of the Treasury. Later that same year he entered military service and, until 1946, served with the Army Air Force, much of the time in China.

In 1946 he was assigned to the U. S. District Court, Eastern District of Illinois, where he was assigned to the office of the U. S. Attorney.

Out of this experience came an important writing project, "How Just is Military Justice?", produced in 1947. While in service he rose to the rank of major.

From 1947 to 1957 he practiced law in Collinsville. Along with private practice, he was assistant state's attorney of Madison County (1952 to 1954), city attorney of Collinsville (1951 to 1955), president of the Madison County Bar Association (1954 and 1955) and served as law secretary to Justice Harry B. Hershey of the Illinois Supreme Court.

Judge Monroe was elected a judge of the Circuit Court of the Third Judicial Circuit of Illinois in 1957 and served as its chief judge in 1961 and 1965 and again in 1967 and 1968.

In 1967, he served as president of the Illinois Circuit and Appellate Judges Association.

He was voted on by Madison and Bond Counties on his record from 1964 and in 1970 and both times retained by substantial majorities.

As judge of the Circuit Court he presided over many intricate and important cases and conducted them in a manner which brought credit to himself and honor to the court.

He spent many hours in reviewing the law applicable to the various cases; listened attentively to and considered the arguments of counsel, and the law cited by them; and gave close attention to the trials and instructions in his attempt to avoid error.

In addition to his work as one of the judges of the Circuit Court of Madison County, he wrote numerous articles on various legal subjects which were favorably received and published in legal publications with state and national distribution.

He also appeared before various colleges and made numerous talks on various legal subjects. Never did he neglect his duties as a judge to perform these services.

Judge Monroe was a student of the law and continually read articles prepared by various legal authorities on the several branches of the law. It can be truly said that he never did stop studying law. His acquaintances were many, and he was highly respected by all whom he knew.

The Madison County Bar Association acknowledges its loss of a fair and capable judge, a good lawyer and a fine and respected citizen; that his widow has lost a good and devoted husband and his children have lost a good and pater father.

MR. AND MRS. MARVIN J. OWCA. They were married in an afternoon ceremony at St. Mary's Roman Catholic Church in Madison. The bride is the former Miss Ellen Ann Bosworth, a daughter of Mr. and Mrs. Courtland Bosworth, 1657 Fourth St., Madison. (Haury Studio)

Candlelight setting for Owca-Bosworth wedding

The Rev. Sylvester Micek officiated at a double ring ceremony Oct. 27 at 2 o'clock in the afternoon, uniting in marriage Miss Ellen Ann Bosworth and Marvin Joseph Owca at St. Mary's Roman Catholic Church in Madison. Bouquets of white pom poms and greenery arranged with tall lighted white candles decorated the altar and white satin bows marked the pews for the nuptial service. Roy Hill sang The Lord's Prayer, accompanied at the organ by Miss Karen Koleksi. A reception at 6 o'clock the same evening was held at the Polish Hall in Madison. The rehearsal dinner was given at the Madison Fire Hall. The bride is a daughter of Mr. and Mrs. Courtland Bosworth, 1657 Fourth St., Madison. The groom is a son of Mr. and Mrs. Stanley Owca, 1801 Fourth St., Madison. Escorted to the altar by her father, the bride selected a

Kathleen Grbcich bride of Thomas Piotrowski

Miss Kathleen Marie Grbcich, a daughter of Mrs. Walter Grbcich of St. Louis, formerly of Granite City, and Thomas Piotrowski exchanged wedding vows at noon Oct. 27 at St. Margaret Mary Catholic Church, with the Rev. Robert Becker performing the double ring ceremony. Arrangements of gold and bronze pom poms decorated the altar. Mrs. Eleanor Eaves sang "A Time for Us," "Prayer of St. Francis," "Sons of God," "Ave Maria" and "We've Only Just Begun." She was accompanied by the church organist, Sister Marilyn Teres. The bridegroom's parents, Mr. and Mrs. Thomas Piotrowski also reside in St. Louis. Given in marriage by her uncle, William Grbcich, the bride chose an ivory candlelight satin and sateen gown of Victorian styling. Her high standing collar and a center panel down the front were of ivory satin adorned with vertical Venice lace, edged at the sides in English net lace. The Queen Anne sleeves had the elongated sateen puffs with Venice lace on the tight satin cuffs. Her bouffant skirt, bordered in satin, was edged in matching English net lace and a court train fell softly from the back waistline. She wore a Camelot headpiece of lace and seed pearls to

pink polyester Empire style gown. White lace and pink insertion ribbon enhanced the high collar and cuffs of the long sleeves and she held a colonial bouquet of deep pink carnations and streamers. The bridesmaids chose gowns designed exactly like the matron of honor's frock in burgundy with pink accents. They carried colonial arrangements of pale pink carnations and matching ribbon streamers. Their headpieces were open crown pillbox hats, securing veils in shades to match their attire. The flower girl wore a pink floor length frock with long sleeves gathered to button trimmed cuffs. She had a pink bow in her hair and carried deep pink carnations formed into a small nosegay. Attending the groom as best man was his brother, Norman Owca. Groomsman and ushers included Robbie Robins, John Harrison, Tom Williams, Steve Geroff, Curt Bosworth, a brother of the bride, and John Onesty. For the daughter's wedding, Mrs. Bosworth chose a formal length gown of pink polyester with silver accessories. She wore a pink corsage. Mr. Owca, mother of the groom, was gowned in a blue dress, complemented with matching accessories and a blue carnation corsage. Both young people are graduates of Madison High School. The groom also graduated from Belleville Area Junior College and has been employed for the past three years, as a patrolman with the Madison Police Department. They are residing in Madison following trip to the Missouri Ozarks. Out-of-town guests included the grandparents of the bride, Mr. and Mrs. Frank Disabito of North Ridge, Calif.; Mr. and Mrs. John Roman and family of Springfield, Ill.; Mr. and Mrs. Albert Ziolkowski of Evansville, Ind.; and Mr. and Mrs. Larry Papa of Decatur, Ill.

Guild to host luncheon

"Choose Life" was the topic of a program presented by Mrs. Doris Anderson at a meeting of the Afternoon Guild at St. Peter Evangelical United Church of Christ Thursday. After the program a brief thank offering service was held with each member contributing a donation for the year. Plans were completed for a guild-sponsored "Luncheon is Served" project, scheduled at 12:30 p.m. Wednesday at the Command (TROSCOM) in St. Louis. Mr. Piotrowski was graduated from De Andre High School and attended Florissant Valley College. He is now a member of the U. S. Army, stationed at Tripler Army Medical Center in Oahu, Hawaii. The couple will reside in Hawaii.

Pack 46 cubs receive awards

A Viking theme highlighted the monthly meeting of Cub Pack 46 at Nameoki School last week, with Cubmaster Bennie Miller presiding and presenting the awards. Those receiving awards included Dan Shackelford, Andy Myint, Scott Heatherly, Ron Burr, Kevin Meadows and Bobby Fetter, Bobcat pins; and Chip Fetter and Alan Forbes, Wolf badges. Webelos achievement badges were presented to Todd Webb, sportman; David Nichols, athlete; Scott Asah, forester; Tim Rozyski, artist and naturalist; Dennis Duffin, citizen; Todd Baumeier, artist, forester and naturalist; and Tim Mih, aquanaut. The "Arrow of Light" award was presented to Dennis Duffin, Todd Webb, Tim Rozyski, Scott Asah and Todd Baumeier. BETHAN CLASS ELECTS. INSTALS NEW OFFICERS. Bethan Class of the First Baptist Church of Madison elected officers at a potluck dinner session held at the church, followed by an installation ceremony conducted by Mrs. Lucille Veach. The Rev. Paul Davis opened the meeting with prayer. New officers include Mrs. Basta Williams, teacher; Mrs. Pauline Cory, outreach leader; Mrs. Nora Birtley, Gertie Ashford and Jerry Stein, social activities; Mrs. Bernice Whitt, Mrs. Hilda Jackson and Mrs. Matilda York, group leaders; Mrs. Hilda Jackson, piano; and Mrs. Ethel Stone, historian. The group will meet next Monday with Mrs. Williams.

44 Illinois bicyclists killed in span of year

What has from two to four wheels, is owned by persons numbering from 65 to 70 million and is responsible for 110 deaths during 1972?

A member of the cycle family—the bicycle, to be exact. With their growth in numbers comes the predictable rise in accidents. For example, 400,000 persons were injured in the collisions in the U. S. last year,

40,000 of them disabling. And 540 deaths and 26,200 injuries involved riders in the five to 14-year-old category.

In Illinois alone, 3,365 collisions of bikes and motor vehicles left 44 persons dead last year. Another 3,527 persons were injured.

What is Illinois doing to combat the upsurge in bicycles and the need for bicycle

safety? Next week, Secretary of State Michael J. Howlett's office will issue an updated "Bicycle Rules of the Road." Akin to the motorists' "Rules of the Road," the small bicycle guide is written "so a child can understand it," Howlett explained.

"A child on a bike in traffic is bound by the same laws as the motorist. He must stop for stop

signs and red lights, signal turns, stay on the right side of the road and yield to pedestrians," the secretary added.

The present guide, issued in April 1971, has chapters dealing with signals, signs and pavement markings, traffic laws, bicycle safety rules and parents' responsibility.

On another front, Gov. Daniel

GRANITE CITY PRESS-RECORD

Walker signed into law in September a bill to create a system of bike paths and walkways. The bill, sponsored by State Sen. Sam Vadalabene, D-Edwardsville, involves only federal funds.

A companion bill which would appropriate over \$1.7 million in state funds for bikeway construction was vetoed.

The new law puts the

responsibility of creating a statewide bikeways and walkways program on the Department of Transportation.

The program will include the building of comfort stations and weather shelters for bikers and hikers, bike paths to and from schools, a provision of separate lanes on streets and highways—and separate pathways to be built on public lands for hiking and hiking only.

Federal funds will come out of the \$23 billion Federal High-

ways Act signed by President Nixon in August. Over a three-year period, \$120 million will be spent on bikeways.

The Department of Transportation is waiting on results from a meeting to be held with federal authorities before anything concrete can be done.

Bobbing for apples and other seasonal games highlighted a masquerade party and monthly meeting of Cub Pack 103 at St. Margaret Mary School last week.

Youngsters attended in costume and were judged by Ron Luebben, Cub Scout Roundtable commissioner and Cubmaster Frank Thomas.

Winning prizes were Bobby Bronnbauer, most original costume; Mark Richey, funniest; Jim Jones, spookiest and Jim Flannigan, most unusual.

Pack leaders, parents and other family members joined with the Cub Scouts in playing games.

Those presented awards for excellent included the Rev. Robert Becker, Lori Weiss, Pat Wickman, Irene Zimmerman, Rose Zikovich, Jane Gibson, Barbara Bronnbauer, Jim Wickman, Bobby Bronnbauer, Jim Flannigan, Robert Lafue, James Gibson, Jim Jones, Mark

Richey, Chris Weiss, Joe Zimmerman and Mike Zikovich. Cubmaster Thomas presided at an awards ceremony, presenting achievement badges to: Jim Jones and Joe Zimmerman, Bobcat pins; Jim Flannigan and Mike Zikovich, Webelos badges; Chris Weiss, Bear badge; and Jim Flannigan, Bobby Bronnbauer, Mike Zikovich and James Wickman, Wolf badges.

Pack 103 officers announced a benefit bake sale will take place in the St. Margaret Mary School cafeteria Nov. 17 and Nov. 18, following all Masses at the adjacent church. Coffee and donuts will be served partons, they reported.

After the closing ceremony, refreshments were served at tables decorated in a Halloween motif. Assisting in arranging the party were Mrs. Sandra Richey and Mrs. Rita Flannigan, den mothers.

MR. AND MRS. DONALD M. RANDALL, who were united in marriage on Sept. 14 at Our Lady of Mount Carmel Church, St. Louis. The bride is the former Miss Josephine Certa, a daughter of Mr. and Mrs. Frank Certa of St. Louis. The groom's parents, Mr. and Mrs. Wade Randall, reside at 4734 Lakeview Drive.

Circle elects

Mrs. Maxton

Mrs. Judy Maxton was elected chairman of the Every Member Busy Circle of Nameoki United Methodist Church at a meeting held last week in the home of Mrs. Janet Williams, 3323 Colgate Drive.

Also elected to serve in 1974 were Mrs. Dorothy Ashford, secretary; Miss Jane Elkins, treasurer and Mrs. Fran Holt, flower secretary.

Mrs. Dorothy Luckert, co-hostess, assisted Mrs. Williams in serving refreshments to 19 members and three guests.

Mrs. Sandy Wilkinson, Mrs. Lucille Russell and Jan Johnson. The birthdays of Mrs. Gail Newberry and Mrs. Beulah Rensing were observed during the evening.

After the business session, Mrs. Dorothy Wallace presented a program describing her tour of Austria, Germany, Switzerland and France. She showed slides, colored cards and books, relating to each country.

The speaker will review the books—"I Just Happen to Have Some Pictures" by Willie Ethridge and "I've Only Got Two Hands and I'm Busy Wringing Them" by Jane Goodfield.

The program is the second in a series of special events at the Venice library.

FREE TOOLS LITERATURE AT HOLIDAY SERVICE

Bye Bye Birdie to open

The hit musical "Bye Bye Birdie" will open the Masquers' 14th season at 8:15 p.m. Friday at the BAC Miners Theatre in Collinsville, providing an evening of entertainment for the entire family, the show director reported.

A musical spoof of the 1950's rock and roll era, the production presents the ways and ideas of adults versus teenagers. A number of Granite City residents will appear in the show.

Local performers include: Neil French, as Randolph; Larry Libby as Harvey Johnson; Kevin Baugh, as Hugo; and Annette Tarpoft, Robin Nunn, Betsy Slate, Linda Pariah, Walt Padgett, Janet Moss, Jack French, John and Rogers Mefford, Marquita French, Gay Lynn Bowler and Winnie Freedman. Kathy

Maryville PTA carnival Friday

A "spookhouse" and a variety of games will highlight the fourth annual "Black Cat Barbecue" to be sponsored by Maryville Parent-Teacher Association at the school Friday evening.

Mrs. Kay McCrone, chairman, said tickets are now on sale, costing 45 cents each. The price includes a meal of sloppy joe, pie, potato chips and a beverage and admission to the carnival.

Food will be served from 4 to 8 p.m. Friday, with carryout orders available. The "spookhouse" show and carnival games will commence at 5 p.m.

Tickets may be obtained in advance from students, faculty members and PTA officers, or may be purchased at the door Friday evening, Mrs. McCrone said.

2 couples divorced

Two area couples have obtained divorces in Madison County Circuit Court at Edwardsville. Divorced were: Varseng Throner from Thomas Throner, both of Granite City. They were married Feb. 26, 1949, in Granite City and separated Sept. 8, 1969. Mental cruelty was charged. Custody of three children was granted to the mother and the father was ordered to pay \$75 per month for each child in support. He also was ordered to pay \$450 per month alimony.

Jacqueline Lee Stuart of South Roxana from Hugh Cunningham Stuart Jr. of Madison. They were married June 14, 1952, in Pochontas, Ark., and separated Aug. 15, 1972. Desertion was charged. Custody of one child was granted to the mother and the court reserved ruling on the issue of child support.

10 tickets left for theatre trip

Ten tickets remain for the curtains Up Dinner Theatre trip Sunday, sponsored by the Granite City Park District.

Tickets cost \$10.35 each and include a smorgasbord dinner, roundtrip transportation and admission to the stage show "Never Too Late."

Buses will leave at 4 p.m. Sunday from the Wilson Park rink driveway. Reservations can be made by calling the park office at 877-3059.
